

## Warning To Russia Repeated By Dewey In Campaign Speech

BY JACK BELL

En route with Dewey to Spokane, Wash., Sept. 28 (AP)—A plain warning to Russia that his election would mean no retreat in the American stand on the Berlin blockade was sounded today by Gov. Thomas E. Dewey.

The GOP presidential nominee turned eastward toward a major speech in the Montana State university stadium at Missoula tonight. On his way, with stops scheduled at Spokane and Paradise, Mont., he pounded away on the theme that his aim is "the strengthening of our country, of bringing to it a new unity and adopting a competence in foreign policy that it does not have."

He said bluntly yesterday that "it would be wise for all of the rulers of the world" to know that the American people close their ranks quickly after elections.

United By Crisis

Dewey added that a crisis always unites this country.

In furtherance of this theme, Paul Lockwood, the governor's secretary, said that in Missoula tonight Dewey will "talk about the great resources of the west and their significance as a bulwark to America's defense and to the cause of world peace."

In Seattle last night, the New York governor told an estimated 8,000 persons who crowded their way into the Civic auditorium that America must be "strong and powerful in a nervous world."

In what his aides said they regarded as a direct appeal to the Russian people over the heads of their own government in the Berlin crisis, Dewey said:

"Whatever some leaders may do, I am convinced that the peoples of all nations desire peace. My most devoted purpose is to spread this conviction among governments through the influence and example of our own unity and desire for peace."

As the crowd cheered, Dewey said that it is of "fundamental importance" that the leaders of other nations understand that if he is elected this country will have a "vastly more formidable power when we get a vigorous, more forward-looking foreign policy."

## Port Huron Banker Gets Probation In Embezzlement Case

Detroit, Sept. 28 (AP)—Federal Judge Frank A. Picard today granted a suspended three year sentence to Paul G. Hardt, 42, of Port Huron, Mich., accused of embezzling \$13,168.

Hardt also was placed on probation for five years.

He is former assistant vice president and trust officer of the Port Huron branch of the Michigan National Bank. He pleaded guilty last July to two counts of an embezzlement indictment.

The FBI accused Hardt of taking money assigned to the bank by courts in trust from 1940 until he was discharged from his job last April.

In court, he blamed the "high cost of living" for the embezzlement.

Hardt had been an employee of the bank since 1922.

## Plot to Kill Peron Brings 22 Arrests

La Plata, Argentina, Sept. 28 (AP)—Five more persons have been arrested in the alleged plot to kill President Juan D. Peron and his wife, bringing the total in custody to 22.

Peron has charged John Griffith, former cultural attaché at the U. S. embassy here, with being the leader of the plot. Griffith, now in business in Montevideo, Uruguay, has branded the accusations as a "detective story."

## SHORTER NAME WANTED

Bay City (AP)—Petitions have been circulating recently calling for an expansion of the city limits of suburban Essexville and a shortening of the city's name to "Essex."

## Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Fair and cool tonight. Wednesday sunny and pleasant. Light to heavy frost in interior tonight.

ESCANABA AND VICINITY: Fair and cool with light frost away from the lake tonight, wind variable 10 MPH. Wednesday sunny and mild, wind variable, becoming southerly 10 MPH. High 68, low 44.

GOVERNOR'S MANSION—The 72-year-old Barnes home (above) in Lansing, unoccupied for 25 years, has been leased from the City of Lansing by the State of Michigan. The home

will be remodeled and furnished as a governor's mansion. State officials expect the revamped home will be ready for occupancy by June, 1949. (AP Photo)

## Michigan Telephone Walkout Authorized

Over 10,000 Prepare For  
State-Wide Strike

Detroit, Sept. 28 (AP)—Michigan Bell Telephone Co. service in Lansing was placed on an emergency basis today as the result of the third "quickie" strike in 24 hours.

The company said a picket line of six persons turned away all but 18 of the 73 operators who normally man the exchange.

The pickets were protesting against the suspension of five Lansing employees after a walkout last Friday, a company spokesman said.

Service was reported back to normal today at Royal Oak and Westland, where similar walkouts occurred Monday.

Meanwhile, top union leaders gave the green light to 10,500 operators and clerks who have threatened a state-wide strike against Michigan Bell.

And spokesmen for a union representing 8,000 Michigan plant men promised to respect the operators' picket lines in the event of a walkout.

Division 44 of the Independent Communications Workers of America (CWA), representing the switchboard girls, was given strike authority last yesterday by the CWA's 13-man executive board in Washington.

## Big Crowd Cheers Warren in Talk At Springfield, Mass.

Enroute with Warren to Hartford, Conn., Sept. 28 (AP)—Gov. Earl Warren brought to New England today a demand for a new national policy for decentralization of federal government.

Debunking the "high sounding solutions" of rabbit-out-of-the-hat presidential candidate told an audience in Springfield, Mass., last night that "there is no magic in Washington."

"We must revive our faith in government close to the people, and use to a greater extent than ever before the states and local governments that were designed to keep it that way," he said.

Shouts of "give us more" rose from a cheering audience of 4,000 when the California governor concluded his address.

The beaming Warren was forced to rise and wave acknowledgment several times before his audience permitted him to leave.

## Big Stream Control Program Wound Up By Michigan Crews

Lansing, Sept. 28 (AP)—Transfer of crews to lake improvements projects this week ended the largest stream control program Michigan has ever had.

When a \$200,000 appropriation, the largest for the purpose in history, became available in July, 79 men in 15 crews began the program of building erosion structures and wing deflectors, rechanneling streams and digging pools with bulldozers.

Improvements were installed on the Little Manistee, North Branch of the Au Sable, the Huron, White, Pere Marquette, Bear, Pigeon, West Branch of the Sturgeon, Gamble, Rifle, Manistee, Hopkins, Fox, Cedar, Ontonagon and Firestone rivers.

## Flint Firm Trims Prices On Trailers

Flint, Mich., Sept. 28 (AP)—Palace Corp. of Flint today announced reductions of \$100 to \$300 in the price of its trailercoaches. D. D. Anst, president of the company, said the cuts were made possible by increased efficiency in production.

## Communism Clicks As Campaign Issue

By the Associated Press

President Truman headed into Oklahoma today for a major campaign speech on Communism—a topic newly headlined by congressional spy investigators.

Gov. Thomas E. Dewey, already on record with a promised government "housecleaning" of Soviet-minded workers, carried his GOP presidential drive home-ward through the northwest.

Mr. Truman's handling of the Communist issue came under double fire last night.

The House un-American Activities committee described as "com-

pletely inexcusable" what it called the administration's failure to prosecute persons linked to a "Soviet espionage conspiracy."

"A complete and forthright explanation is due the American people of the reasons for this failure," the committee said in a formal report.

The document demanded that the President "forthwith" lift the "iron curtain" which it said he had drawn by barring "access to the evidence in the files of the executive branch of the government."

Mr. Truman repeatedly has labeled the congressional investigations into Communist activities a "Red Herring" to distract the voters' attention from the problem of high prices, which he blames on the GOP-controlled 80th Congress.

Gov. Earl Warren, the No. 2 GOP candidate, fired yesterday's second volley at Mr. Truman on the "Red Herring" score. He told a Syracuse, N. Y., crowd:

"In spite of the fact that some people have talked about red herrings, there are a lot of Communists at work in this country."

It is a "crying shame," the Californian said, that there should be "even one Communist in our government."

It became apparent today that the so-called east marks issued by the Soviet authorities are steadily dropping in value. At no time was the "ostmark" considered equal to the western "deutsche mark" on a one-for-one basis, even by ardent Communists.

The tangled political situation has been reflected somewhat in black market quotations on German currency here during the past week.

While there still seemed hope the four occupying nations were getting somewhere in their conversations about lifting the Soviet-imposed blockade of Berlin, the Russian "ostmark" was being traded at the rate of between two and three for one west mark.

As of last night, the ostmark was quoted at 3.9 to one deutsche mark. This is almost the lowest point the Soviet mark has reached since midsummer a short time after the dual east-west currency reform.

## Flint Bus Tieup Now 11 Days Old, No Accord Sighted

Flint, Mich., Sept. 28 (AP)—Efforts to end the 11-day-old strike of Flint's bus drivers failed to bring any results today.

Strikers declined as "impracticable" an invitation to send their representatives to a state labor mediation board session in Detroit Thursday.

At the same time the striking CIO's transport workers got nowhere with their proposal that R. P. Cranston, state mediator, and management attend a strikers' meeting tomorrow night.

The union and the Flint Trolley Coach, Inc., are in dispute over the period of retroactivity of a pay raise.

## Nickle Pop Doomed As Costs Increase

Saginaw, Mich., Sept. 28 (AP)—The nickel bottle of pop likely will become a victim of the high cost of living, according to John Q. Adams of Saginaw, president of the Michigan Bottlers of Carbonated Beverage Inc.

He said increased labor and processing costs may force an increase in the retail price of pop soon.

Michigan bottlers met last week in Detroit but adjourned without reaching agreement on how to meet rising costs of operation.

## Democratic Nominee Promises Big Boost To Upper Peninsula

Bridge Across Straits On  
Williams' Program

(By The Associated Press)

Democrat G. Mennen Williams pushed his gubernatorial election bid in northern Michigan today, promising a "revitalized" Upper Peninsula if he wins.

After speaking Monday night in Sault Ste. Marie, Williams was scheduled to deliver another major address tonight in Marquette.

He told his Soo audience that he would work for construction of a bridge across the Straits of Mackinac.

Williams also pictured Governor Sigler, Republican incumbent, as "a candidate in a cowboy hat who flies an airplane." He charged that Sigler does nothing for the Upper Peninsula.

The Democratic aspirant shared the platform with his wife, Nancy.

Mrs. Williams, in a plea for the women's vote, said the high cost of living is bringing women into politics in an effort to find a solution.

She mentioned incidentally that the Democratic party was "proud" to have a woman in the race for major state office—a reference to Mrs. Margaret Price of Ann Arbor. Mrs. Price is seeking election as state auditor.

Williams compared what he called Sigler's attitude toward the Upper Peninsula with his own promised consideration for that area.

"Not another commission, not another report—but intelligent action" will be his program, Williams said.

He said unemployment in northern Michigan is three times that of the rest of the state, in proportion. Idleness and low wages, he said, are the "twin evils" of the Upper Peninsula.

He promised to work for improved ferry service across the straits until a bridge is built. He also said he would strive for better transportation in general, more industrialization, and improved conservation.

## War Crisis Blamed On Political Greed

Wallace Doesn't Trust  
Two Major Parties

Dallas, Tex., Sept. 28 (AP)—Henry Wallace plunged into a schedule of talks before southern mixed white-and-Negro audiences today for the first time since his stormy egg-spattered trip in the Southeast.

The Progressive party candidate for president, looking tired and gray but demonstrating his physical prowess by such stunts as loading a mountain of luggage into his special plane, arriving here late yesterday and night.

He went on the radio with a detailed anti-inflation program, including an immediate freeze of prices, a cut of at least 20 per cent in food prices, and a "return to the Roosevelt policies" of government planning.

2. Issued a statement on the latest U. S. note to Russia in the Berlin crisis. He said the Democrats and Republicans "must head crisis upon crisis" in order to justify the draft and military spending, and he does not trust them "to give us honest information on foreign affairs."

Putting the radio speech and the statement together, Wallace's argument runs something like this: Big business wants to keep prices high; the Democrat and Republican leaders accomplish this by a program of military spending; then they have to invent international crises to justify the spending.

3. Issued a statement on the latest U. S. note to Russia in the Berlin crisis. He said the Democrats and Republicans "must head crisis upon crisis" in order to justify the draft and military spending, and he does not trust them "to give us honest information on foreign affairs."

## Immediate Trials Demanded In US Atomic Spy Hunt

By HOWARD DOBSON

Washington, Sept. 28 (AP)—Congressional spy probes pressed their hunt today for a mysterious "scientist X" after demanding immediate trials for four persons they accused of tampering with atomic secrets.

The House un-American Activities Committee linked the unidentified scientist with Steve Nelson, who the committee said should be tried as an outright wartime spy. Nelson is a Communist party organizer in Pennsylvania.

The House group's preliminary report last night also declared that Dr. Clarence F. Hickey, his former wife, Marcia Sand Hickey, and Dr. John H. Chapin should be prosecuted on charges of conspiring to hand over atomic secrets to Soviet agents. Hickey and Chapin were atomic bomb project scientists during the war.

The penalty for conviction on either charge, spying or conspiracy to spy, is death or up to 30 years' imprisonment.

Chapin, whom the committee described as a "very cooperative" witness, was not available for comment in New York, his wife said.

Hickey could not be reached. His present wife, Mrs. Miriam Hickey, said "he asked me to say he's not available."

However, his former wife, Marcia Sand, characterized the charges against him as "ridiculous to begin with."

Regarding the charges against herself, she said:

"Of course I refuse them. I have nothing to say. We'll see what Truman will say."

She declined to amplify the remark.

The committee said its first report on a months' long inquiry tells "only a small part of the whole story of atomic spy activities."

Chairman J. Parnell Thomas (R-NJ) announced that locked-door hearings will continue indefinitely.

While stressing that so far it has been able only to "scratch the surface," the committee declared that the evidence it has turned up has been known to government agents for more than five years.

## Hungarians Force American Oil Men To Admit Sabotage

Vienna, Austria, Sept. 28 (AP)—Two American oil men expelled from Communist-controlled Hungary said today they had been forced to sign statements saying they sabotaged production in the Hungarian plant of the Standard Oil Company, (N.J.).

It was a case of "sign or else," declared Paul Ruedemann of Hartsdale, N. Y., chairman of the American-owned Hungarian company. He and his deputy, George Bannantine of St. Louis, Mo., denied emphatically all charges of sabotage.

The two said Hungarian economic police told them: "Go along with us or we will find a way to make you."

They were expelled from Hungary Saturday after seven days of questioning. The two left Vienna today by plane for New York.

## Benton Harbor Pair Lives in Aleutians

Juneau, Alaska, Sept. 28 (AP)—A newly wedded Benton Harbor, Mich. girl and a member of a University of Michigan scientific expedition plan to live on the Aleutian Islands.

The pair—Miss Eleanor Fowler, daughter of Dr. and Mrs. Harold Fowler of Benton Harbor and Theodore P. Bank Jr., son of Col. and Mrs. Theodore P. Bank—were married here Saturday.

Bank has been in Alaska during the past summer studying plant life and Aleutian Islands residents.

The couple will make their home in Adak Atka, Aleutian Islands, next year.

## Polio Kills Mother; Son, 21, Stricken

Bellaire, Mich., Sept. 28 (AP)—A youth whose mother died last week from infantile paralysis was stricken with the disease yesterday and taken to a Traverse City hospital.

He is 21-year-old Dale Montgomery, who works in Grand Rapids but spends weekends at his farm home near here.

Montgomery, whose case was the 10th in an outbreak in this area Aug. 13, had attended funeral services Sunday for his mother, Mrs. Leo Montgomery.

## FAST TIME ENDED

Marquette (AP)—All of Marquette county except the city of Ishpeming agreed to extend daylight saving time indefinitely in an effort to relieve a critical power shortage. The step was taken by the county after the cities of Marquette and Negaunee took similar action.

## TECH STAFF EXPANDS

Houghton (AP)—The Michigan College of Mining and Technology has announced the appointment of 25 new faculty members. Eight of the appointees are to be added to the staff at the Sault Ste. Marie branch.

## TRIBUTE FOR WHITELEY

Dowagiac (AP)—Kim Sigler will be main speaker here tonight at a banquet honoring two local men for their service to the state. Guests of honor will be Harry H. Whiteley, who has served 21 years on the state conservation commission, and Dr. Sherman L. Loupee, a state legislator for five terms.

## Powers Cite Soviet Blockade As Threat To Peace Of World

Security Council Asked  
For Emergency Action

(By The Associated Press)

The United Nations squared off today for the most severe test in its three-year history—an attempt to settle the Berlin dispute.

On the assembly platform, France joined Britain and the United States in condemning the Russian blockade as a threat to world peace. Experts of the three western powers continued drafting the note to be sent to Secretary General Trygve Lie late today or tomorrow for reference to the security council.

Robert Schuman, French foreign minister asked that the U. N. end the blockade because the three western powers have "exhausted every possibility of direct agreement." Although France is traditionally opposed to a rise of German power, he said "a renewed Germany must take her place in democratic Europe."

Many diplomats feared the strain of the east-west dispute might crack up the United Nations.

British Foreign Secretary Ernest Bevin's speech was sharply criticized in the Soviet press. Moscow newspapers charged he was trying to smash the United Nations. The Soviet newspapers did not say what Russia might do.

The London Daily Herald, however, quoted Andrei V. Vishinsky, leader of the Soviet delegation, as saying the Soviets will not "abandon the United Nations."

"We shall stay on and work together with the other peoples of the world," Vishinsky was quoted as saying in an interview.

## Never More Serious

The U. S. ambassador to Moscow, Walter Bedell Smith, conferred with President Truman on the president's campaign train, and told reporters later that American-Soviet relations were "never more serious."

In Athens, the Greek general staff reported new fresh firing on Greek army units from inside neighboring Albania. At the same time Communist elements, being pursued by the Greek army, opened counter-attacks which were repelled, a communique said.

There was trouble on the Soviet-Finnish border, Russia charged. The Soviets called attention of the Finnish foreign minister to alleged violations of the peace treaty. The Russians declared Finnish hunting societies had engaged in "military activity."

In Berlin, the socialist newspaper Telegraf repeated the declaration that Communists of the Soviet occupation zone are forming an army of red-indoctrinated Germans. The newspaper said the army was being formed under the guise of a police force.

## Lake Trout Fishing Season Near Close

Lansing, Sept. 28 (AP)—Commercial fishermen were reminded today by the conservation department that the annual closed season on lake trout fishing was a few days away.

To permit spawning, fishing for the species is forbidden on Lake Huron from Oct. 1 to Oct. 31, on Lake Superior from Oct. 10 to Nov. 4, and on Lake Michigan from Oct. 10 to Nov. 10.

## Foresters To Hear P. J. Hoffmaster At Blaney Meeting

Foresters from 38 states today are on a field trip in the Blaney Park area and tomorrow evening in the closing session of the Association of State Foresters they will hear P. J. Hoffmaster, director of the Michigan department of conservation.

Representatives of federal, state and local forest protective and management agencies are attending the annual meeting which is being held in Michigan for the first time. Charles Flory of South Carolina is president of the association and Raymond Kienholz of Connecticut is secretary-treasurer.

Tomorrow morning H. G. Weber will speak on the state forestry program in Minnesota. The state forestry program in Wisconsin will be presented by Neil Lemay who will deal with forest fire control, and Fred Wilson will speak on forest management.

**Banquet Tomorrow**

The program of the Michigan Forest Industries Information committee will be described by Francis Kiefer, president of the Port Huron Sulphite & Paper company, R. W. Jenner, vice president of the Cliffs Dow Chemical company, will talk on the program of the Forest Products Advisory committee to the Michigan Department of Economic Development.

In an afternoon executive session the Association of State Foresters will receive reports of committees and will participate in an open forum. The banquet meeting at which Director Hoffmaster will speak is scheduled for 7 p. m.

Representatives of cooperating federal agencies relative to cooperative legislation and procedure discussed their problems at a closed session yesterday afternoon. A proposed agreement between Land Grant College association and the Association of State Foresters also was discussed.

**Watson On Program**

Following reports by President Flory and Secretary Kienholz, the association yesterday morning heard S. L. Frost, executive director of the American Forestry association, describe the program of the American Forestry association as it relates to state forestry.

Other speakers at the morning session were S. T. Dana, dean of the school of forestry and conservation, University of Michigan, who reported on the work of the committee on natural resources of the Hoover commission; Russell Watson, Manistique, on the subject "Relative Values in Forestry"; and Bruce Buell of the Patten Logging company on "Selective Logging in Northern Hardwoods."

The meeting will close Wednesday night following the annual banquet.

George Sauer, Navy's new head coach, directed the Kansas Jayhawkers to two Big Six co-championships.

## Briefly Told

**Typhoid Patient**—Mrs. Raymond Hoes, of Wilson, is a typhoid patient at Marinette General hospital. It was erroneously reported last Saturday that the patient's name was Mrs. Ray Roes.

**Health Clinic**—Dr. W. R. Purmort, Newberry State hospital, will be at the health center, Thursday, Sept. 30, from 1:30 to 4:30 p. m. Parents wishing to send their children to the clinic, should notify the health department.

## Medical Society to Hear Dr. Campbell

The Delta-Schoolcraft Medical Society will resume its monthly meetings with a 6:30 p. m. dinner meeting in the House of Ludington tomorrow following the end of the summertime vacation months. They will hear Dr. Alexander M. Campbell, maternal health consultant of the bureau of maternal and child health, Michigan Department of Health. Dr. Campbell is visiting in this area to Oct. 5.

## Errol Flynn's Have Domestic Troubles

Hollywood, Sept. 28 (AP)—There seems to be a little sand in the domestic oil at the Errol Flynn's house.

His studio in a statement yesterday said the actor's wife, Nora, said: "This is the most serious situation Errol and I have run into yet in our marriage, but I am in no position to make a statement as we have made no decision."

The studio said that Flynn said: "If, as reported, Nora, is looking for a house, I hope she doesn't find it."

Meanwhile, Errol and Nora—who have two daughters, Diedre, three, and Rory, 18 months—are still living together, the studio added brightly.

## Part of Seney Area Closed to Hunting

Lansing, Sept. 28 (AP)—The part of the Seney National Wildlife refuge west of the Driggs river in Schoolcraft county will remain closed to small game and duck hunting this year, the conservation department said today.

The area, which will be marked by signs, will be reopened for the deer season Nov. 15 to 30.

## Two Escanaba Men Buy Sidewheeler; Plans Indefinite

The sidewheeler Menasha, a 108-foot steel hulled former U. S. Engineers river craft, has been purchased by Capt. B. J. Gallagher and Paul Richter of Escanaba—but they said today they have no definite plans for its operation.

The craft arrived in the Escanaba yacht harbor at 6 p. m. last night from Kaukauna, Wis., where she has been in use until recently. The U. S. Engineers department at Milwaukee advertised the Menasha for sale and Gallagher and Richter were the highest of 16 bidders. Capt. Gallagher said he had been informed that the craft cost the government \$90,000 when she was built in 1926.

There are 13 staterooms and three baths on the Menasha. She has a 32-foot beam and is powered by two steam engines, one for each of her sidewheels. Her draft is about six feet.

Although there is no definite plan for operating the Menasha, Capt. Gallagher announced that he plans to put the Menasha's sister ship, the Neenah, on a Green Bay run next summer season.

The Neenah was bought last year from U. S. Engineers and is now used for housing men employed on one of Capt. Gallagher's marine jobs at Washington Island. She is a smaller boat than the Menasha and is diesel powered.

Capt. Gallagher said the Neenah may be used a pleasure boat on Green Bay for about three months of the season in 1948, catering to tourist cruises and fishing parties.

## Fish Producers Meet Thursday

The Michigan Fish Producers association of this district will meet Thursday evening, Sept. 30 at 7:30 o'clock at Grenier's hall. Matters of importance will be discussed. All members of the organization are urged to be present and other fishermen interested are invited.

## U. S. Army Tightens Enlistment Of Men With Dependents

Men below the first three grades who have dependents will not be accepted for enlistment in the U. S. Army or Air Force unless they enlist within 90 days of discharge, it was announced this morning at the Escanaba U. S. Army recruiting station.

The new ruling is in immediate effect, it was explained. The first three grades under the new non-commissioned officer rating system are sergeant, sergeant first class and master sergeant. These compare, respectively, to the old three grades of staff sergeant, technical sergeant and master sergeant.

First three grades with dependents may be enlisted at any time it was pointed out, but if he is below that rating and has dependents, he must enlist within 90 days of discharge.

## Scout Leaders to Train at Red Buck

Scout leaders of the Red Buck and Chippewa districts will gather at Camp Red Buck on Friday for a three-day training program designed to aid the leaders in the better application of the Boy Scout program to their individual troops when they return home.

Ed Kot, Escanaba, Scout executive, announced that the program at Camp Red Buck will cover three principal subjects: troop program planning, planning and conducting hikes, and operation of troop meetings.

Scoutmasters, assistant Scoutmasters, troop committee members and commissioners, in fact any Scouters 18 years of age or older, may attend. Each troop is being encouraged to have from one to three men at the training camp.

## Obituary

### MRS. JOHN BEER

Services for Mrs. John Beer of Milwaukee, former resident of Escanaba, were held at 9 o'clock this morning at St. Joseph's church with Rev. Fr. Patrick, O. F. M., offering the requiem high mass. Burial was in Holy Cross cemetery.

Pallbearers were George Hentz, Leslie LeDuc, Napoleon LaCombe, Ted Tourangeau, Jens Jensen and Clifford Menard.

Those from out-of-town attending the rites were John and Joseph Beer of Wauson, O., Mr. and Mrs. Raymond Beer, Milwaukee and Patricia Johnstone and Mr. and Mrs. Herbert Helmore of Green Bay.

### MRS. MARTIN THORSEN

Funeral services for Mrs. Martin Thorsen, Stonington, will be held at Trinity Lutheran church at 1:30 p. m. Thursday, Rev. L. R. Lund officiating, and burial will be in Lakewood cemetery. The body will be in state at the Anderson funeral home from Wednesday afternoon until noon Thursday.

Always remove wash from the line as soon as it is dry to save unnecessary flapping in the wind.

## 5 Escanabans, 2 From Gladstone at Ferris Institute

Five Escanaba and two Gladstone students are enrolled at Ferris Institute in Big Rapids.

The Escanabans pursuing studies there are Robert J. Lehoullier, 802 South 12th street; Alphonse A. Eparvier, 1417 First avenue south; Thomas W. Vardigan; Sidney Edward Miller, 520 1st avenue south; Francis T. Pepin, 826 North 19th street. Miller and Pepin are newcomers.

Gladstone students enrolled there are Harry Dale Olive, 1004 Superior avenue, and Gordon C. Trombley, 1011 Wisconsin avenue.

Other U. P. students at Ferris are Elliott D. Doane and Rudolph A. Cigallio, of Bessemer; Barbara C. Hubbard, Joseph O. Anderson, Paul W. Rodman, Earl Pascoe, John K. Hubbard, Robert L. Kronmer, Conrad C. Peterson, Verlin Weber Jr., Raymond John Pratt and Francis E. Revord, all of Iron Mountain.

Bruno V. Dalmaso, Ernest E. Pintarelli, Louis L. Turowski, of Crystal Falls; Virgil F. Pelon and Eugene C. Everard, of Menominee, and Earl M. Brooks, Edward R. Hautamaki and Robert E. Erickson, all of Iron River.

## C-C Host Wednesday To Important Area Meeting

Harry Lintz

C. Howard Smith

An important governmental affairs meeting will be held in Escanaba tomorrow under sponsorship of the Escanaba Chamber of Commerce, with the U. S. Chamber of Commerce cooperating.

The meeting will open with a luncheon at the Delta hotel at 12 o'clock noon, and will conclude about 4 p. m. Important issues before congress seriously affecting the local and national economy will be discussed.

Members of the Escanaba Chamber of Commerce, and non-members who are interested in hearing the discussion, are invited to attend. Reservations should be made by calling No. 1100. Invitations have been extended to Chamber of Commerce representatives in all Upper Peninsula communities.

The United States Chamber of Commerce will be represented by three men who are eminently qualified to bring information on current affairs affecting business, and to lead discussion that helps explain the impact of certain proposed legislation upon the national economy.

Spencer Shaw, manager of the Northern Central Division of the United States Chamber of Commerce, will serve as presiding officer and moderator of the forum discussion. He came to the Chicago office of the U. S. Chamber from Minneapolis. His background includes a variety of experience in organization work. His experience reaching down to the local level gives him an understanding of the "grass roots" approach to the problems of government.

Harry A. Lintz is a national affairs advisor for the U. S. Chamber of Commerce with wide experience in public administration for the past 25 years. He taught political and social science at the University of Denver before joining the staff of the U. S. Chamber of Commerce. He holds two degrees from the University of Southern California where his training was largely in the field of governmental affairs.

Howard Smith is also a national affairs advisor for the U. S. Chamber, from the northern central division. He received his education at Boston University, and after service in World War I followed the field of market analysis and production research. The relationship and responsibility between business and government is a field in which he has intimate knowledge.

## New Warehouse Dedicated Here

The new Delta Hardware warehouse was formally dedicated in a ceremony held Saturday noon, September 25.

In the presence of the entire Delta Hardware personnel, John J. Bartella, secretary-treasurer, dedicated the building to the memory of William John Smith, former vice president and general manager of the company, who was the victim of a tragic airplane accident on February 14, 1946.

A bronze plaque commemorating the dedication was accepted by William Van Smith on behalf of the family.

Rev. James G. Ward offered a dedication prayer at the conclusion of the ceremony.

## Hospital

Arthur Besaw of Brampton has been admitted to St. Francis hospital as a surgical patient.

Hack Wilson, with the Chicago Cubs in 1930, drove in a record 190 runs. Lou Gehrig's 184 for the 1931 Yankees still tops the American league in runs batted in.

ber of Commerce. He holds two degrees from the University of Southern California where his training was largely in the field of governmental affairs.

Howard Smith is also a national affairs advisor for the U. S. Chamber, from the northern central division. He received his education at Boston University, and after service in World War I followed the field of market analysis and production research. The relationship and responsibility between business and government is a field in which he has intimate knowledge.

## U. P. Bureau To Meet In Escanaba Oct. 8-9

The building of a sound resort and travel industry, improvement of transportation facilities and promotion of industrial possibilities will be stressed during the two-day program of the 38th annual meeting of the Upper Peninsula Development Bureau next month.

The gathering will be held in Escanaba Friday and Saturday, October 8 and 9, with headquarters in the Sherman hotel.

Heading the list of speakers obtained for the annual session will be C. M. Weyand, in charge of the foreign division of Nash-Kelvinator Corp., Detroit, who recently returned from Europe. Weyand, who will speak at the annual banquet Saturday night, October 9, will give a businessman's interpretation of international business problems to Upper Peninsula leaders. The subject of his address is "The World Scene—A Challenge to Democracy."

Following registration in the Sherman Hotel, a "friendship hour" will be conducted from 4 to 6 p. m. on the opening day as a reception for delegations of Detroit and Duluth businessmen interested in improving transportation in the Great Lakes area.

Dinner will be served at 6:30 p. m., with John I. Keeton, president of the Development Bureau, presiding. Community singing will be led by O. V. Thatcher, of Escanaba, and Walter F. Gries, of Ishpeming, will be toastmaster. Mayor Robert E. LeMire, of the host city, then will welcome Bureau members and directors.

Will Discuss Transportation  
A symposium on "A United Michigan Through Better Transportation Facilities" will follow, with all angles of that problem being discussed in this order:

1. "Improved Transportation

Facilities Essential to the Economic Improvement of the Upper Peninsula."—James J. Beckman, mayor of Marquette.

2. "Greater Detroit Will Cooperate in Developing Better Transportation Facilities Through Northern Michigan and on to the Northwest."—G. W. Gillis, Jr., of the Edson, Moore Co., Detroit.

3. "Duluth and the Great Northwest Wants Closer Connection with Industrial Detroit."—Speaker from Duluth to be named.

4. "Michigan Department of Economic Development Studying the Transportation Problems Affecting Michigan."—General Ralph Royce, executive director of the Michigan Department of Economic Development.

The annual business session of the Bureau will begin at 9:30 the following morning in the Escanaba City Hall auditorium. Keeton will preside and will call for the auditor's, president's treasurer's and secretary's report, after which nomination and resolutions committees will be appointed.

After conducting other miscellaneous business, officers, directors and members of the organization will hear an address by Ben F. Clark, director of the Development Bureau's industrial division.

Symposium on Resources  
Luncheon will be served in the Sherman hotel at 12:15 p. m. Beckman, Bureau vice-president, will preside during the program to follow—which will be a symposium on "Unused Industrial Resources Are Available." It will include talks as follows:

1. "Forest Resources"—William Kluender, of the Chicago & Northwestern Railroad, St. Paul, Minn.  
2. "Farm and Soil Resources"—Clarence Bolander, of the state department of agriculture, Lansing.

C. J. Crocker, second vice-president, will preside at the afternoon session, which will start at 3. It will be another symposium on "Building Michigan's Travel and Resort Industry" and will include the following addresses:

1. "The Program of the Michigan Tourist Council"—Robert Furlong, administrative secretary of the Michigan Tourist Council, Lansing.

2. "A Code of Ethics Essential"—Chester Wells, secretary-manager of the West Michigan Tourist and Resort Association, Grand Rapids.

3. "Guidance, Counsel and Advice Available to This Growing Business"—L. R. Schoenmann, chief of the Michigan State College's Conservation Institute, East Lansing.

4. "Service That Satisfies—Necessary to Meet Competition"—J. J. Bachman, Tabor Farm, Sodus, Michigan.

Weyand's address will highlight the Saturday night banquet, which will conclude the annual gathering. Keeton again will preside and John Lemmer, superintendent of Escanaba schools, will be toastmaster. Reports of the nomination and resolutions committees will precede Weyand's talk.

FROM A COMPACT, MODERN and INEXPENSIVE INSTRUMENT

**Minshall-Estey Organ**

Lauded by musicians and clergy for its beautiful true organ tones, its thrilling sonority which surprises listeners because of its size, the Minshall-Estey is being installed in churches and homes as fast as the skill of its makers can produce this fine instrument.

It is the answer to the need for a REAL organ, which by utilizing the science of electronics can produce the essential tones of the older pipe organs which require so much space, and expense to install. Simple to install, the Minshall-Estey takes no more room than the average piano, is surprisingly inexpensive, and thrilling to hear.

Hear and enjoy this new organ in our show-rooms.

## Guards Meet Tomorrow In Preparation For U. S. Inspection Monday Night

Draft eligible personnel of the Michigan National Guard must attend drill regularly and participate satisfactorily in unit training or lose their draft immunity, it was announced this morning by Capt. Roy J. Johnson, commander of Delta county's Company C, in announcing plans for the Federal inspection here Monday, Oct. 4.

Every effort is being made to make as high a score as possible in the 1948 inspection. Records have been brought up to date, property is being inventoried and the state of training is being brought to a high level in preparation for the annual inspection.

"Last week all uniforms and equipment were turned in for inventory, and they will be reissued at the regular drill this Wednesday night," Captain Johnson said. "It is imperative that we have a hundred per cent attendance tonight and also next Monday night for the inspection, when every man must be in full uniform."

"Drill attendance is compulsory for the inspection. Because the inspection is being held next Monday night, no drill will be held next Wednesday night."

In further explanation of the status of draft eligibles who are members of the Guard, Captain Johnson said:

The 1948 Selective Servicelaw, under which men from 18 through 25 recently registered, provides exemption from induction for those men who were members of organized units of the Federally recognized National Guard on June 24, 1948. However, such exemption exists only

as long as they continue to be such members and satisfactorily participate in scheduled drills and training periods prescribed for their units.

To carry out this requirement of satisfactory service, a draft-eligible Guardsman must attend at least 90 per cent of all scheduled drills and training periods of his unit unless excused by proper authority. He must not be absent in excess of 10 per cent of the scheduled drills, days of field training, or combination thereof in each 12 month period, beginning October 1, 1948.

Satisfactory service and performance of duties will be determined in each case by the Guardsman's unit commander.

**M. E. A. SPEAKER** — Suzanne Silvercruys, famous sculptress, lecturer, playwright and author, will deliver the principal address at the first general session of the Upper Peninsula Teachers convention in Escanaba Thursday evening at the Wm. W. Oliver auditorium.

### 3 Men Fined In Traffic Cases, 3 Others Dismissed

Napoleon Roy, 1411 Sheridan Road, was fined \$50 and costs in justice court Monday on a charge of driving an automobile while under the influence of liquor. His driver's license also was suspended. Roy entered a plea of guilty to the charge.

Ralph R. Olsen, 703 South 14th street, was fined \$50 and costs following a plea of guilty to a charge of reckless driving. The charge was an outgrowth of an accident Monday evening in which Olsen's car struck a parked car owned by Gerald DeGrand at 1306 First avenue north. Olsen entered a plea of guilty.

Charges of reckless driving against Alphenix Benard, Rev. Michael Hale and William Gasman were dismissed in justice court Monday for lack of evidence. The charge of reckless driving against Art Victorson was dismissed and Victorson pleaded guilty to operating a motor vehicle without a license. He paid a fine of \$5 and costs.

### Seven to Attend Chicago Meeting

Seven members of the Prudential Insurance Co.'s district office in Escanaba have been invited to attend a two-day regional sales conference of company representatives in Chicago on Sept. 30 and October 1. More than 450 field personnel from the company's offices in Wisconsin and Minnesota and parts of Illinois, Michigan and North Dakota are to participate.

Besides Henry J. Hukenphaler, district manager, the Escanaba group is composed of Assistant District Manager, Leo P. King and five agents. The meetings will be presided over by Louis H. Schmid, second vice president of the Prudential.

Harold M. Stewart, the company's executive vice president, Orville E. Beal, vice president in charge of the district agencies department and other Prudential executives and fieldmen will address sessions.

The Escanaba group also includes representatives from the offices in Ironwood and Hancock, Michigan.

NOW AT HOME at 1921 Cleaneay avenue in Norwood, Ohio, are Mr. and Mrs. Walter J. Bo, who are shown here at the reception which followed their marriage at St. Patrick's church. The bride is the former Jeanice Plansky, daughter of Mr. and Mrs. William Plansky, 705 South 16th street.

Dr. Eversole  
New Head Of  
Civic Theatre

Gordon Flath, chairman of Escanaba Civic Theatre, has submitted his resignation from the board of directors of the group for one year, to permit him to study for his master's degree in drama at the Columbia School of Expression in Chicago.

His resignation was submitted at a regular meeting of the theatre group held last night in the recreation center.

Dr. Gardner Eversole, who has been vice chairman of Civic Theatre, will assume chairmanship of the group. A new member to fill the board of directors vacancy will be elected at the next regular meeting of the group Oct. 11.

Paul Corcoran, long active with Civic Theatre, was elected a member of the board of directors last night, to fill the vacancy caused by the resignation of Mrs. Garrett Leeman. Mrs. Leeman and her husband, Master Sergeant Leeman, who has been stationed with the Army Recruiting service here, have left for Superior, Wis., where he will be stationed.

Mrs. T. M. Cassidy, Escanaba artist, presented a resume of stage design in the modern theatre and discussed various methods of achieving effects, last night.

"Art has changed more, in all its forms, in the past few years, than it did in the preceding 250 years," she told an interested group of theatre members and visitors. "The use of cycloramas, steps and screens, with more accent on lighting than on pigment effects," said Mrs. Cassidy, "has resulted in a less expensive and more expressive form of stage setting."

Though the primary purpose of a stage set is to create atmosphere, a set should never attract attention by itself, for it then defeats the purpose of the setting and all other effects, which must combine to make a complete unit. The present trend, the artist said, is toward abstract design and away from realism.

"One of the chief criticisms of drama in this century, and in those years preceding, has been that a producer is rarely versed in all the arts necessary to create a dramatic production, and consequently, productions have been influenced by a producer's taste and knowledge of the various art forms."

The program last night was in charge of Miss Helen and Miss Mary Masterson of Gladstone. Jane Taylor and Percy Weinberg will arrange a program for the next meeting of Civic Theatre. Katherine Skopp and Robert Russell will plan a program for a meeting on Oct. 27.

Pay Newcomers  
Friendly Call

BY AUCIA HART

NEA Staff Writer

A neighborly call on newcomers to the community is not required by etiquette but it is a kindly and gracious act.

Ignoring the arrival of a new neighbor may be interpreted by her as an attitude of unfriendliness. Mature women who are self-assured social leaders in their communities often make it a point of pride to pay at least one call on newcomers to their neighborhoods.

Such welcoming calls need not be formal. They can be simple offers of assistance to help a newly moved-in family become more quickly adapted to the neighborhood.

More to be said for these courtesy calls is that sometimes they will introduce you to people who can contribute new and stimulating ideas to your own social group. If they do, you've made a real "find."

But even though you discover that you have little in common with your new neighbor, your gesture of friendliness will be warmly appreciated. Moreover, any gracious act which helps to build up a woman's reputation as a kind, thoughtful person yields a rich enough reward.

aid will meet Thursday evening at eight o'clock at the home of Mrs. Earl Peterson.

## TOPS FOR THE YOUNG

Toni Owen's yellow wool felt top with gold buttons and turn-back cuffs, worn with wool plaid skirt and black jersey blouse.

Couple Honored  
At Reception On  
35th Anniversary

Mr. and Mrs. Ernest L. Beauchamp, of 502 South Tenth street, who recently observed their 35th wedding anniversary, were honored at a reception at the home of their son-in-law and daughter, Mr. and Mrs. Frank St. Martin, 323 South 10th street.

An attractively appointed buffet supper was served, with the floral decorations centered with a three-tiered wedding cake. Mr. and Mrs. Beauchamp were presented with a beautiful remembrance of the day.

Out-of-town guests were Miss Mary Beauchamp, a student at Michigan State Normal college, Ypsilanti; Leo Beauchamp, a student at the University of Wisconsin, Madison; Mr. and Mrs. Bertrand Beauchamp, Marquette; Mr. and Mrs. Herbert Van Horn of Gladstone, Mr. and Mrs. Frank Mullaly of Ford River, Misses Elsie and Alma Bertrand and Mr. and Mrs. Emery Chartier of Marquette, Mr. and Mrs. Henry Beauchamp and Mr. and Mrs. Harrison Hannon of Green Bay, Mr. and Mrs. Lawrence Beauchamp of Niagara, Wis., and Joseph and John Beauchamp of Flat Rock.

Meeting to Lay  
Groundwork Of  
Convention Plans

Officers of the Michigan Congress of Parents and Teachers, Escanaba unit officers and other key members will meet Wednesday night at the Escanaba Junior high school at 7:30 o'clock for the purpose of making preliminary plans for the Michigan state convention to be held in Escanaba next spring.

Last year's convention at Bay City was attended by 2,000 parents and teachers and it is expected that an equal number will attend the 1949 meeting.

All key persons who have been contacted are reminded to be present at Wednesday's meeting.

## A Watch of Great Beauty...

Wylar presents:

The Marquise

One of the most original of Wylar's modern designs, exquisitely fashioned in 14K white or yellow gold. Versatile enough to wear with tailored or formal costumes. Just slips over your wrist and is held securely by a concealed spring. Inside—a masterpiece of precision, Wylar's 17 Jewel movement.

## Personal News

Mr. and Mrs. Louis Nolden, 1310 Eighth avenue south, were weekend guests at the George Sharkey home in Gwin.

Mrs. John P. Kroner, 1409 First avenue south, left yesterday for Green Bay accompanied by her daughter, Mrs. George Stoik who came to Escanaba to meet her.

Mr. and Mrs. Earle B. Harris, Lake Shore Drive, Mrs. B. A. Harris, 1414 First avenue south, Mr. and Mrs. Michael Farrell and Philip C. Beauchamp, sr., left this morning for Sault Ste. Marie, to attend the wedding of Miss Barbara Ann Montgomery and Rev. Earle B. Harris, jr., which is taking place this evening in the First Presbyterian church.

Mr. and Mrs. Ben Looden have returned from Marinette where they visited with their son-in-law and daughter, Mr. and Mrs. Gerald Utley.

Ralph Carroll has arrived from New Milford, Pa., to visit with friends and relatives in Escanaba.

Mr. and Mrs. E. J. Bawden, 330 South 8th street, returned yesterday from a three weeks' vacation tour of the east during which they visited with Mrs. Bawden's brother and sister-in-law, Mr. and Mrs. Joseph Beland in White Pines, N. Y., in New York City and at other points of interest.

Mrs. H. L. Holderman, 916 Seventh avenue south, has returned from Coral, Mich., where she attended funeral services for her aunt, Mrs. A. N. Shook, 78 years old. Mrs. Shook, who is a sister of Mrs. Holderman's mother, died while visiting with her brother, Dr. S. E. Sanderson in Ashford, Wash. Mrs. Shook had visited in Escanaba many times and is well known to Escanaba residents.

Mrs. G. W. Traverse and Mrs. Roy Jensen returned last night from Detroit where they attended the Republican state convention. They were accompanied on the trip by Mrs. Jensen's sister, Mrs. Dellmer Nelsen, who visited with relatives in Detroit.

Mrs. Arnold Bourdeau, 1528 Stephenson avenue has returned from Milwaukee where she visited with her husband who is employed there.

Mrs. William Sovey, 329 North 13th street, left this morning for Green Bay to visit with Mrs. Larry Peickert at St. Mary's hospital.

Mrs. Hannah Carlson and Bernice Carlson, 1010 First avenue north, left this morning to spend two weeks visiting relatives in Milwaukee.

Mr. and Mrs. Henry Cloutier of Chicago left this morning for their home after visiting six weeks with James Gallagher, 534 North 19th street.

Mr. and Mrs. Calvin Johnson of Wells left today for Chicago where they will be the guest of Mrs. Johnson's sister, Mrs. Louis Kuntz.

Mrs. J. F. Briere left this morn-

## Births

Mr. and Mrs. John L. Michaud of Anchorage, Alaska, are the parents of a daughter, Lorraine, weighing six pounds and 12 ounces, born Monday, Sept. 20, in Providence hospital. Mr. Michaud, a former resident of Escanaba, is with the Alaska Railroad.

Mr. and Mrs. Roy Christensen, 1211 First avenue south, are the parents of a son, Richard Allen, who weighed seven pounds, born September 21 at St. Francis hospital. The baby is the first in the family and also is the first grandchild of Mr. and Mrs. Earl Aiken and the first great-grandchild of John Friedgen. Mrs. Christensen is the former Elaine Aiken.

Pastors Attend  
District Meeting

Rev. and Mrs. Karl J. Hammar and Rev. and Mrs. Glen Kjellberg of Gladstone left this morning for St. Ignace where the pastors are attending the annual Marquette district Methodist ministers' meeting which opened with a luncheon this afternoon.

Rev. Mr. Kjellberg will be the speaker at the worship service this evening.

The meeting continues through Wednesday with a trip to Mackinac Island scheduled for the second day. The program on the island will include a visit to Old Mission church, organized in 1823.

Auxiliary Meets  
Here November 4

The Escanaba district fall meeting of the Women's Auxiliary of the Episcopal diocese of Northern Michigan will be held Thursday, November 4, in accordance with the schedule set at a meeting of the auxiliary executive board. Other meetings are to be held in Marquette, Iron Mountain, Ironwood and Sault Ste. Marie. Sessions of the meeting, details of which will be arranged later, will be attended by the Rt. Rev. Herman R. Page, bishop of the diocese and Mrs. W. P. Chamberlain, diocesan president.

the oldest Protestant Mission north of Detroit, a luncheon at which the Moral Rearmament movement will entertain, and sight-seeing.

## BOB FINDS TOO MUCH G SON

### Can't Develop Memory By Association

By ROBERT C. RUARK

New York—Like many a man whose thickening arteries encourage a conscious retreat to the past, I have brooded a bit, lately, over the glut of sensation in our time. What I mean, so much happens so often that we have few milestones any more—just a series of ruts in the road.

I was talking to a fellow the other day, and he was trying to fix the date of his young brother's birth. He finally snapped his fingers.

"Got it!" he said. "Joe was born about six months after we bought our first tractor."

I had just nailed down the birth of my own brother by the odd device of remembering that we acquired him the same week I saw Red Grange in a movie called "One Minute To Play." That sort of an association was an old trick of mine, but I find I can't do it any more. Too many staggering things happen. You'd need a comptometer to tabulate personal events in relation to side-bar occurrences in the world.

It is easy to remember the name of the girl you were with the first time you heard Kenny Sargent sing "For You", in that sickly sweet falsetto, and I know just what I was doing when a fellow we called Lucky Lindy flew all the way to Paris, France, in an air-o-plane. I was on a high school picnic at the beach, as a matter of fact. But I can't tell you what I was doing the day the atom hit Hiroshima. I couldn't tell you the date of V-J Day without a world almanac.

We were able to recall, clearly, so many things a long time ago. The day the pig got stuck in the fence. The day the big blow came. The time the neighbor's house burst down. The Dempsey-Tunney fight dates. Marines in Nicaragua, made news. Gertrude Ederle swam a channel and built more headlines than the death of Count Bernadotte. Not so long ago I saw a major earthquake played inside the papers. Too insignificant to rate page one, in light of

## McMillan

McMillan, Mich. — The Rev. John F. Brodie, late pastor of the DeTour Methodist church has been assigned to the McMillan Circuit. Rev. Brodie was formerly field evangelist of the Christian Business Men's committee of Detroit. He is a graduate of Bethel Theological Seminary with eighteen years experience in the Christian ministry. Rev. Brodie officiated at his first services in McMillan on Sunday morning September 26, 1948.

Mrs. William Nash and infant son, William Edward returned to their home here from the Newberry Clinic hospital Monday.

Mr. and Mrs. Henry Olson and family have returned to their home in Detroit following a visit here as the guests of Mr. and Mrs. Laurel Painter.

Mr. and Mrs. Frank Chaney left this week for Battle Creek where they will spend several days.

Mr. and Mrs. Oscar Knappe and daughters, Joyce and Barbara, have returned to their home in Dafer after visiting here a few days at the home of Mr. and Mrs. Paul Braum.

Mr. and Mrs. Fred Neuman and daughter, Violet of Detroit are spending some time here with relatives James Leech and Mrs. Kenneth Kearney.

Dr. and Mrs. Max B. Purdy and children Harry Bidwell and Abby Gail of Newberry, Mr. and Mrs. John Skinner and children Johnnie and Jean Ann, Mr. and Mrs.

other news.

We have become so blunted, so over-stuffed with dripping red meat that we purposefully flee to the past simplicities. Any Cinderella story—poor girl marries rich man—is accented today like a royal wedding. A good juicy murder arouses more interest than the collapse of the latest French cabinet.

But there is too much of everything, all the time, to fix the days by association. Did it happen the day we got the television set, or was it just after they shot Gandhi? I dunno. Maybe we can tie it down some day, to the date they rubbed out Chicago, New York, Washington, Moscow, London and Sydney, Australia. That would be a day to remember.

Charles Terry and Mr. and Mrs. Harry Skinner spent the weekend at the Skinner cabin on the Tahquamenon river. The occasion being H. J. Skinner's birthday anniversary.

Garland Carroll of Flint, formerly of McMillan, is spending a few days in town visiting friends.

Miss Maxine Generou left Friday for Detroit where she will be the guest of relatives a few weeks.

Mr. and Mrs. Victor Buckland and children of Grand Marais visited here over the weekend at the home of Mrs. Buckland's mother, Mrs. Carrie Dausey and at the Jay Tanner home.

Mr. and Mrs. George Taylor and Miss Olive Mark were recent visitors in Sault Ste. Marie.

Mr. and Mrs. Walter Parker and family left Wednesday for Sioux City, Iowa where they expect to establish their residence. Mr. and Mrs. Parker formerly operated a garage and gas station here before moving to Sioux City where they remained a few years.

Returning to McMillan they opened a store, gas station and garage at the two mile corner. Mrs. Parker's father is a resident of Sioux City and because of his failing health they returned to take over his business in that city.

Mr. and Mrs. Albert Gordon and Mrs. Minnie McCarthy of Sault Ste. Marie visited in town recently at the home of relatives, Mr. and Mrs. George Taylor and

Mrs. Saran Locke and daughter, Mrs. Gretta Snyder.

Mrs. Harry Skinner entertained a few friends at a Stanley party given at the Skinner cabin on the Tahquamenon river Wednesday afternoon. Mrs. Jean Horvath of Hulbert was in charge of the games awarding prizes to Mrs. Oral Sly and Mrs. John Armstrong. Mrs. Albert Mainville received high honors in 500 and Mrs. Skinner low. Pot luck dinner was served at noon.

## Germfask

Tea Party

Germfask, Mich. — The VFW Ladies' Auxiliary gave a tea party at the CFW building Thursday afternoon honoring the Gold Star Mothers.

Cards provided the entertainment for the afternoon and cut prizes were awarded to Maude Burns and Ann Skarritt.

Lunch was served at a long table to the fifteen guests who attended. Among the group were four Gold Star Mothers, Mrs. Julia Morrison, Mrs. Vera Doran, Mrs. Marguerite Christie, and Mrs. Pearl Smith and they were each presented with a corsage.

Other members who attended were Mrs. Dottie Cornell, Mrs. Hazel Shirk, Mrs. Jennie Swisher, Mrs. Myrtle Martensen, Mrs.

## Cornell

Birthday Party

Cornell, Mich.—Juanita Carlson was the guest of honor at a party held Sunday afternoon to celebrate her twelfth birthday anniversary, at the home of her parents, Mr. and Mrs. Carl E. Carlson.

Lunch was served at a table decorated in yellow and white, centered by a large birthday cake, and she received many lovely gifts.

Games were enjoyed, prize awards going to Olive and Yvonne Gamache, Jean Campbell and Beverly Blixt. The guests included Dolores and June Anderson, Connie and Beverly Blixt, Geraldine Miron, Olive and Yvonne Gamache, and Carol Bucklund of Cornell, Jean Campbell of Woodlawn, Peggy Anderson and Janice McFadden of Boney Falls, Mr.

"Dividend savings reduce cost of Blue Ribbon Auto Insurance"

THELMA BASSETT  
MMLC Collection Dept.

"Paying dividends to our thousands of policyholders is a pleasant but mighty big job in my department because all motorists who insure with us get them annually. Naturally, these dividends mean that the cost of insurance to drivers who enjoy the positive protection of a Blue Ribbon Automobile Policy is substantially lowered. Wouldn't you like to enjoy these savings too?"... says Thelma Bassett.

## Escanaba's Carnegie Library Grows With Years; Now Holds Over 25,000 Books For 4,000

Escanaba, a city with approximately 16,500 inhabitants, has 4,000 persons registered in its Carnegie Library.

Last year, out of a total of 25,132 volumes available, Escanabans read 73,781 books. Of that number, 33,428 were read by children. Escanaba's Carnegie Library spent \$16,637.52 through city appropriation plus a supplement of \$2,233 in state grant funds, in 1947.

Each year the library in Escanaba adds about 1,000 books to its well-stocked shelves. In 1947 the figure reached 1,772. Books on Michigan, particularly those with an Escanaba or Upper Michigan viewpoint, are now in particular demand at the library, as well as books on home-building and boat-building.

"In a sense," Mrs. Nancy B. Thomas, librarian, said, "the people of a community buy their own books. Their demands are reflected in requests for books."

### Historical Fiction Popular

During the past several years, the demand throughout the United States has centered about historical fiction. And more and more, according to librarians, people are learning to use books as tools as well as sources of entertainment.

Currently books are up in price, just as in other markets.

In the future more books will be read, now that the period of anxious concern in the after war period has subsided, and with the resumption of peace-time economy.

"During periods of high employment, the library is used less by the fluctuating group of persons normally using libraries," stated Mrs. Thomas.

In the future too, more libraries will expand their services to offer even distribution on a county-

wide basis and bookmobiles will be much in use, says Mrs. Thomas. "The trend is evident, although not in the immediate future for Escanaba."

**Library Opened in 1902**  
Escanaba's library was begun in 1902 and completed in 1903, through a gift of \$20,000 from Andrew Carnegie.

The building is of red stone and boasts of large spacious reading rooms both on the main floor and in the basement where the children's library is located. Skylights supplement lighting from large suspended chandeliers.

The library has always been managed by a board of eight trustees. Mrs. S. W. Brennan is now president of the board and Charles Folio, vice president. Other board members are Mrs. Charles Semer, Mrs. A. M. Gilbert, H. P. Lindsay, William J. Duchaine, F. H. Baldwin, and Dr. Roy Johnson.

Mrs. Nancy B. Thomas is librarian and works with a staff of four. They are Miss Winifred Harvey, Mrs. John Owens, Miss Betty Harris and Miss Elizabeth Jacobson.

M. K. Bissell was the first president of the Escanaba Carnegie Library board of trustees and Emil Glaser was its first vice president. Other members of the first board of trustees were Peter Blomstrom, J. F. Carey, Dr. W. A. Cotton, Rev. J. M. Kerridge, E. M. St. Jacques and F. H. Van Cleave.

Mrs. Thomas is the 10th librarian. She has been here four years. Previously she was librarian in Birmingham and other Lower Michigan cities, and in Wisconsin. In the 1920's she was librarian in Escanaba.

Librarians, in order of their years of service here are Miss Mae B. Hewitt, Miss Edith Har-

per, Miss Helen Gorton, Miss Wilhelmina Vander Hagen, Miss Laura Brubaker, Miss Florence Day, Miss Marion Dahl, Mrs. Nancy Thomas, Miss Marion Pease and Miss Adele Hessel.

Through the 40 some years of its existence, on the spot where the first Escanaba schoolhouse stood, the library has grown perceptibly, both in number of volumes and in the number of registrants.

**Fine Reference Library**  
All standard reference works are available in Escanaba's Carnegie library, as well as the newest in fiction and an impressive array of classical works. In size and use, it ranks on a par with other libraries found in cities of its size.

Art groups and other special interest organizations find ready help in the library. One of the current projects here is with the Delta County Historical Society, newly-organized.

Library privileges are free to all young people who reside outside the city of Escanaba, and other Delta County persons not paying city taxes may use the library through paying a registration fee of one dollar.

The library, in addition to loaning books to registered persons, offers service to anyone seeking information, either by telephone or personally. If the information is not on file in the library through newspapers, periodicals and other current media, the librarian is always willing to offer other sources of information.

Patients in St. Francis hospital regularly are visited by a librarian, once a week.

## Calumet & Hecla Strike Is Averted

Calumet, Mich.—CIO employees of the Calumet & Hecla Consolidated Copper Co., voted Monday to accept the company's offer of a 5c an hour wage increase. The action rescinded a previous strike vote of the United Copper Workers' local 584.

The company offer also included a health and accident insurance clause and one under which employees will share in bonuses on a par with stockholders. Also accepted was a provision that wage negotiations might be opened with a 10 day notification.

The Union, which had demanded a 12½c an hour increase had scheduled a walkout to start Monday. Federal conciliator John Leucke conferred with union members and representatives of the company over the weekend. The vote Monday was 854 to 260.

## Vescolani Named On School Group

Carney, Mich.—Fred Vescolni, superintendent of schools in Carney and widely-known among U. P. school men, was named a director of the Michigan Association of School Administrators in annual session Sept. 23-25 in Traverse City.

George Walkotten, superintendent of schools in Albion, was named president, and George T. Cantrick, superintendent in Monroe, vice-president of the association.

## MANY TRAVEL FOREST ROAD

Highway 13 Blacktopped Wetmore To Nahma

Munising—The "new" federal forest highway 13, all blacktopped from Wetmore south to Nahma Junction, on US-2, had its first "workout" Sunday. Traffic over the road was heavy with sight-seers.

Construction of 11 miles of blacktop surfacing from the Alger county line north to Wetmore was completed Thursday although traffic was maintained over the route during construction. The 15 miles north of Nahma Junction were blacktopped last year.

### REGISTRATION TIME

Munising—City Clerk D. R. Potter has announced that Wednesday, Oct. 13, will be the final date for city residents to register for the Nov. 2 general election. Registrations will be taken any week day.

## Mather Sophomore Officers Elected

Munising—The tenth grade of Mather high school has elected the following officers for the year: President—Arthur Gamelin. Vice-president—Marlin Fulcher. Secretary—Donna Pierson. Treasurer—Lois Melin.

### MUNISING BRIEFS

Mr. and Mrs. Robert H. Wright have returned to St. Louis, Mo., after spending the weekend visiting his mother and other relatives here.

Mr. and Mrs. Freeman Mumford, of Detroit, are visiting with Mr. and Mrs. Arthur D. Wood, East Onota street.

Mr. and Mrs. Edward Bashaw, Miss Pat Henriksen and Wilfred Seglund spent the weekend in the Copper Country.

Mr. and Mrs. A. V. Swedberg, of Rock Island, Ill., and Mr. and Mrs. Leonard Hasselquist, of Moline, Ill., visited with Mr. and Mrs. J. A. Branfors recently. Mrs. Swedberg is a sister of Mrs. Branfors.

Mr. and Mrs. C. Leo Lynch have returned to Chicago after visiting with Mr. and Mrs. Alden Krueger of Munising.

## MAYOR W. LIED RESIGNS OFFICE

Slow Time Controversy Aired At Meeting

Mayor Walter Lied last night tendered his resignation in writing to the Gladstone city commission and explained that his serving on the commission was reflecting on his business. He is owner and operator of the Lied Sanitary Milk plant.

In a heated discussion of Gladstone's highly controversial time question, it was brought out by two of the city commissioners that Lied had received a boycott threat from a group interested in a return to slow time for the community during the winter months.

Mayor Lied was not present at the meeting. The commission tabled action on the mayor's resignation until its next regular meeting, Oct. 11.

This is the first year that Lied has been mayor of Gladstone, although he has served on the city commission for more than two years of his three-year term as commissioner. He is also a member of the Delta county board of supervisors by virtue of his office.

In discussing the time problem the commission was apparently divided in opinion on the question of returning to slow time for the winter months. In voting the commission unanimously approved a motion to have Gladstone clocks set back one hour starting at 2 a. m. Sunday, Oct. 3.

## VOCALIST IN 3 PROGRAMS

Gifted Singer Delights Audiences Here

The Gladstone Rotary club had the pleasure of hearing Eugene Lundberg, a gifted vocalist from the Bronx, N. Y., in a program of sacred song yesterday noon at the regular luncheon meeting at the Yacht club.

Mr. Lundberg, a former clergyman, held pastorates in Covenant churches in Crookston, Minn., Ishpeming and the Bronx before deciding to devote his entire time to concert work.

Last summer as soloist with a male quartet, Mr. Lundberg toured Europe including the Scandinavian countries. He said the group had prepared many Swedish hymns and folk songs believing they would be in demand in Sweden but strangely the Swedish people wanted the negro spirituals.

Accompanied by Mrs. Carl Olson, Mr. Lundberg sang "Swing Low, Sweet Chariot," "Sweet Little Jesus Boy," "Tygar kan ingen varsa," and "The Lord's Prayer" by Malotte.

Claude Hawkins was program chairman.

Mr. Lundberg also presented a program at the Gladstone high school at 3 o'clock in the afternoon and a sacred concert last evening in the Mission Covenant church.

## Pays \$100 Fine for Reckless Driving

John C. Moss of 901 Minnesota avenue, city, was arraigned before Justice of Peace O. C. Estenson yesterday morning on a charge of reckless driving and upon his plea of guilty was fined \$100 and ordered to pay court costs of 3.45.

## Gladstone Lions to Have Ladies' Night

The Gladstone Lions club is having a ladies night program Thursday evening at the Yacht club. A novel program is being arranged by Ross P. Davis, program chairman for the evening.

## Riflists to Meet Thursday at Range

Members of the Gladstone Rifle and Pistol club are to meet at the range on the bluff late Thursday afternoon to work on the interior of the clubhouse.

## Babies at Home Test Brighter

Boston—Even young babies in a good institution do not score as bright on mental tests as do babies in a private home. Two hundred infants from six weeks to 12 weeks old were given infant intelligence tests in a study reported to the American Psychological Association here by Dr. A. R. Gilliland of Northwestern University. Half the babies lived in a good institution. Half are in private homes.

The average IQ of the institution babies was 97.5; that for those in private homes 109.5. Apparently whether the parents are rich or poor does not have any effect on the mental development of such young babies. Those in the finest homes did not score higher than those in the poorest families.

The number of horses and mules on U. S. farms declined from about 24 million in 1910 to about nine million in 1948.

## GLADSTONE

Rialto Bldg.

## Police Investigate Two Car Accidents

Michigan State Police were called out to investigate two auto accidents over the weekend.

The first involved Delor King of Rapid River who lost control of an auto he was driving on M-35 near Beaver and overturned. He sustained injuries that necessitated his being taken to St. Francis hospital for treatment.

King was ticketed by police for driving an auto without operator's license and for driving at excessive speed.

The second occurred Sunday night at 10:45 o'clock on US-2 and 41 two miles south of here and involved three autos driven by Gerald J. Turek of Nahma, Carlton Mineau of 1312 Delta Avenue, Gladstone, and Eileen May Van Efflen of 117 N. 19th St., Escanaba.

None were injured in the crash.

Turek and Mineau were ticketed for improper overtaking and passing.

## Briefly Told

**Choir Practice**—The choir of the First Lutheran church meets for practice Wednesday evening at 7:30 o'clock at the church.

**Perkins WMS**—The Woman's Missionary society of Bethany Lutheran church, Perkins, will meet Wednesday evening at 8 o'clock at the Ed Selander home in Perkins.

**Wasa Order**—A regular meeting of the Wasa Order is to be held Wednesday evening at 7:30 o'clock at the home of Charles Erickson on Delta avenue.

**Choir Practice**—The Choir of the Memorial Methodist church will meet at 7 o'clock on Wednesday evening for practice. The party which was planned for Wednesday evening has been postponed until the following Wednesday.

**Scout Leaders**—A meeting of the Girl Scout leaders will be held tonight at 8 o'clock in the Home Economics room at the high school.

**Brotherhood**—The Brotherhood of the First Baptist church is meeting at 8 o'clock tonight in the church.

**Confirmation Class**—The Confirmation class of the Mission Covenant church will meet at five o'clock on Wednesday at the church.

**Mid-Week Service**—The regular mid-week service will be held at 7:30 o'clock on Wednesday at the Mission Covenant church.

**Prayer Service**—The regular weekly prayer and study hour will be held at 7:30 o'clock on Wednesday evening at the Reorganized church of Latter Day Saints.

## Series Of Family Night Programs Starts Thursday

The first of a series of Family Night programs will be presented at the Memorial Methodist church Thursday evening at 6:30 o'clock. Rev. and Mrs. Elwyn Parlin of Crystal Falls, former missionaries to China, will present the program.

Supper will be served potluck style with everyone asked to bring their own dishes and silverware. Coffee will be provided by a committee which includes Mrs. John Murray and Mrs. William Birmingham.

## Church Conference Held At St. Ignace

Rev. and Mrs. Glenn Kjellberg are attending a Marquette District conference at the First Methodist church in St. Ignace today and Wednesday.

Rev. Kjellberg will deliver one of the two conference addresses, speaking on "Worship, A Motivation for Action" this evening. On Wednesday the group will attend a meeting of the Moral Re-armament League on Mackinac Island.

## CRAFT SWAMPS, BOATER SAVED

Clings To Side Of Boat Until Help Comes

John Schraeder, 932 North 18th street, Escanaba, was rescued from Little Bay de Noquet Sunday afternoon after a small outboard motor boat which he was using swamped and overturned.

Hearing cries for help, Glenn Haglund, 14 of 520 Montant avenue, and Albert Buckman, Minneapolis avenue, put out from shore with their outboard crafts and raced to Schraeder's aid.

One took him aboard their boat and brought him ashore while the other took the boat he was using, owned by Don Cole, in tow and brought it in.

Schraeder had been in the water for almost an hour when rescued. Unable to swim and without a life preserver he had clung to the partially submerged craft and called for help.

Both Haglund and Buckman had heard cries but thought for a time they emanated from the ball field where a game was going on.

Schraeder was pretty well exhausted and suffering from shock when brought ashore but was reported to have suffered no ill effects from his wetting.

## Social

### Birthday Party

Nancy Jean Blair, daughter of Mr. and Mrs. Wilfred Blair, entertained a group of her friends and relatives on Friday afternoon at the home of her parents in honor of her ninth birthday anniversary. Games were played and a delicious lunch was served at the close. The table was prettily decorated with cut flowers, candy cups and a pink and white birthday cake. The little honored guest received many nice gifts in remembrance of the occasion.

Those attending were, Marie Petit, Annette Richel, Gladys Anderson, Karen Rabbity, Mary Beth Rabbity, Mary Lou and Linda Waeghe, Kay Bolger, Barbara and Joanne Peterson, Carol Pilon, Lois Clausen, Carol Rabbity, Betty Ann Gardner, Janet Moreau, Helen Jean Sidmark, Patsy Farrell, Gerry Neveu, James, Ronald and Jerry Pilon, Richard Rabbity, Sandra Petit, Nancy's sister, Mary Lou, and her two aunts, Mrs. Ed Pilon and Mrs. Francis Rabbity.

### Surprise Party

Gail Groleau was pleasantly surprised on Saturday afternoon at her home, when a group of her girl friends gathered at her home to help her celebrate her seventh birthday anniversary. Games were played with prizes awarded to the winners. Party decorations were in pink and white with a prettily decorated cake centering the table. Gail received many gifts as a remembrance of the occasion.

Those attending were Kathleen and Barbara Jean Randall, Groos, Mich., Lucy Mae Anderson, and Mildred and Theresa Boudreau, Escanaba, Mich., Karen Long, Connie Van Dale, Jane Ross, Emelie Gail Ross, Gayle Johnson, Mary Alice Miron, Kay Kennedy, Margie, Nancy, Linda Sue and Connie Joslyn and Gail's sister Ann.

## Will Organize For Annual Smear Meet

A meeting to organize for the annual Masonic smear tournament is scheduled for Wednesday evening at 8 o'clock in the Masonic hall, it is announced by Arthur Bjorklund.

### CARD OF THANKS

We wish to take this means of expressing our heartfelt thanks for the many wonderful acts of kindness shown us by neighbors and friends during the reburial of our son and brother, Sgt. Robert D. Klug. Especially do we wish to thank those who sent floral bouquets, donated the use of their cars, service organizations, and all those who in any way assisted us. The kindness shown us at this time will never be forgotten.

Signed:  
Mr. and Mrs. Frank Klug  
and family

## City Briefs

Mrs. Clyde Fitzpatrick of Gladstone left this morning for Chicago to visit with her daughter, Mrs. Eugene Smith and also with her youngest grandchild.

Mr. and Mrs. William McCormick, jr., of Milwaukee spent the weekend here visiting at the William McCormick home on Superior avenue.

Mr. and Mrs. Fred Siebert, R. P. Davis and Bill Noreus attended the Packers-Bears football game at Green Bay Sunday.

Mrs. W. O. Wiesner and two children of Superior, Wis., are visiting for two weeks with her mother, Mrs. Inga Mathison. Mr. Wiesner has returned to Superior after spending the weekend here.

Mrs. L. J. Smith was expected to return Monday evening from Rockford, Ill., where she has been vacationing with her daughter.

Sgt. Edw. N. Berg has returned to Great Falls, Mont., where he is stationed with the U. S. Army Air Corps, after spending a 30 day furlough visiting with his parents, Mr. and Mrs. Edw. O. Berg, 515 Michigan avenue.

Mr. and Mrs. Ben Chatfield are spending the week in St. Paul, Minn., visiting with a cousin of Mrs. Chatfield.

Mr. and Mrs. Dwight Anderson and family have returned to their home in Aurora, Ill., after visiting with her father, Oscar Broman.

Mr. and Mrs. Deward Guilford have returned to their home in Portland, Mich., after spending the weekend visiting with their son-in-law and daughter, Mr. and Mrs. Louis Broman.

Captain Lawrence Burdick of Madison, Wis., Ray Tschirhart and John Oborski of Ruth, Mich., have returned to their homes after attending the funeral services of Sgt. Robert Klug which were held on Friday afternoon. They came by plane. John Brey of Iron Mountain, Mich., also attended the services. These men all served in the same company with Sgt. Klug.

Mrs. Ralph Rains has returned from a week's visit in Marquette, Ishpeming and Negaunee, Mich.

DAILY PRESS BLDG.  
111 Cedar StreetNine Gold Star  
Mothers Honored  
By VFW Auxiliary

Nine Gold Star Mothers of Schoolcraft County were honored at a tea given by the V. F. W. Auxiliary to Schoolcraft Post 4420, on Saturday afternoon in the V. F. W. club rooms on Maple avenue.

The following program was given: National Anthem, sung by group accompanied by Mrs. Jack Wilde at the piano; prayer, Linda Walther, chaplain; Welcome to Mothers, president Martha Malloch; presentation of corsages and booklets to mother; reading, Mrs. Ethel MacLean; Accordion solos, Mrs. G. L. Bouschor; piano solos, Mrs. Jack Wilde; group singing.

Lunch was served later from tables decorated with fall flowers with yellow mums predominating and gold tapers in crystal holders.

Gold Star Mothers present were: Mrs. Henry Duquette, Mrs. Margaret Bergman, Mrs. Clio Brown, Mrs. Minnie Hutchinson, Mrs. Earl Burns, Mrs. Freda Peterson, Mrs. Ben Dixon, Mrs. Joseph Miller, and Mrs. Charles Swingle.

At the close of the tea a closing prayer was offered by Mrs. Linda Walters.

Log Drive On In  
Paper Mill Flume  
Sunday Afternoon

A scene, somewhat reminiscent of the old time log drives on the river was enacted in the flume of the Manistique Pulp & Paper Company Sunday.

The intake valve, connecting the flume with the paper mill needed repairs and in order to accomplish this the water stage in the flume had to be lowered about ten feet. All of the spillways at the far end of the flume were closed and when the water got below the syphon bridge a considerable quantity of pulpwood was dumped into the water and floated down stream. Because of the slow current the small logs moved slowly and workmen experienced considerable difficulty in getting them to drift to the vicinity of the paper mill.

The intake valve has since been repaired and the water stage in the flume is being raised. The logs will shortly be taken from the flume and transferred to the mill log pond.

Handling pulp wood this way was in the nature of an experiment.

Indian Lake Home  
Damaged By Fire

A house recently moved from the E. L. LeDuc property to a site near Arrowwood Inn and occupied by the Frank Hoholik family, was damaged by fire Sunday evening about six o'clock.

A box filled with wood placed on the kitchen porch, in some unknown manner caught fire. The fire spread to the side of the house and spread up the walls to the attic. The Hoholiks were away at the time and Nels Halsey, passing the place, saw the fire and called the department.

Harry Durno, of the department who answered the call, managed to crawl through a small trap door in the ceiling and fight the fire from there. Although the fire had a good start, it was quickly subdued and the loss is not regarded as heavy.

## City Briefs

Relatives and friends who attended funeral services here recently for Mrs. Elizabeth Spencer were Mrs. Blevia Kingsbury, Detroit; Leon and John Moore, and Mr. and Mrs. Laurence McMullen, Pontiac; and Mrs. Ivan Moore, Mr. and Mrs. Russell Terrian, and Homer Rutherford, North Branch; and Mr. and Mrs. William Hancock and family of Munising.

Angus McEachern of Cooks is a surgical patient at St. Luke's hospital in Marquette. He recently underwent an operation on one of his eyes.

Mr. and Mrs. Adolph Johnson and Mr. and Mrs. Albert Johnson have left for Chicago called by the serious illness of Mrs. Adolph Johnson's sister, Mrs. Hannah Olson.

Mr. and Mrs. Clarence Peterson have returned from a two weeks' visit in Wisconsin and Chicago.

Mr. and Mrs. William Wood are the parents of a son, David Ernest, born September 22 at the Shaw hospital.

Mr. and Mrs. William Young and son, Leroy, and Miss Mildred Ketchum of Gladstone visited here Sunday at the home of Mr. and Mrs. Gregor McGregor, Chippewa avenue.

**NEW OFFICERS**—Mrs. F. P. Furlong of Newberry, at right, was elected president of the Upper Peninsula district of the Michigan Federation of Women's clubs at the convention held in Manistique last week; and Mrs. J. A. King of Calumet, was appointed U. P. district chairman of the Emma A. Fox foundation. The foundation will provide the first series of 100 books selected by the Supreme Allied Command in Japan, for democratic educational programs in Japan and Korea. (Photo by Linderoth)

Mrs. Gust Bayee, 70,  
Of Stephenson Dies

Menominee, Mich.—Mrs. Gust Bayee, 70, of Stephenson, died of heart disease Sunday at 2:15 p. m. in St. Joseph's hospital.

Born in Montreal, Province of Quebec, Canada, October 9, 1877, she moved to Stephenson with her parents when she was a child and had lived there since.

Survivors are her husband, whom she wed November 28, 1898; four daughters, Mrs. James Jenkins of Iron Mountain; Mrs. James Leaveck of Stephenson; Mrs. Arthur Wauters of Menominee; Mrs. Daniel Moore of Torrence, Calif.; six sons, Gregory, Frank and Joseph Bayee of Stephenson; Maxiam Bayee of Ontonagon; August and Edward Bayee of Menominee; 36 grandchildren; seven great grandchildren; three sisters, Mrs. Peter Rivard and Mrs. Oscar Dahl of Daggett; Mrs. Joseph Turcotte of Stephenson and three brothers, William, Rabito of Gladstone.

MANY NEVER  
SUSPECT CAUSE  
OF BACKACHES

This Old Treatment Often Brings Happy Relief

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, setting up nights, swelling, ruffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 60 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

## Fayette

Mr. and Mrs. Norbert Spaeth and son have returned to Chicago after visiting with Mr. and Mrs. Charles Watchorn of Fayette.

Lamb or beef stew is good seasoned with catsup or chili sauce, garlic and paprika as well as salt and pepper.

Axel Rabito of Vancouver, Wash., and Edward Rabito of Daggett.

PIN-WORM  
MYSTERY ENDED

Pin-Worms have been causing trouble for centuries, and millions of victims have desperately sought a way to deal with this pest that lives inside the human body. Science has at last solved the problem! It is now also known that Pin-Worm infection spreads rapidly and can cause real distress if neglected. So beware of that aggravating rectal itch, and act fast. Ask your druggist for JAYNE'S P-W at the first sign of Pin-Worms. P-W is a medically sound treatment based on an officially approved drug principle. The easy-to-take P-W tablets act in a special way to remove Pin-Worms easily and safely. It's easy to remember: P-W for Pin-Worms!

"Know Your Industries"  
Suggestion To Rotarians

A better understanding between the people of Manistique and its large industrial plants was suggested as one of the matters needing attention here by A. J. Cayia, of the Inland Lime & Stone Company at the noon day meeting of the Manistique Rotary club Monday.

The suggestion was made in the course of a round table discussion touching on shortcomings in the local setup and ways of overcoming them.

Cayia made his statement as a matter of constructive criticism stating that all too often the attitude seems to be that because companies like the one he represents have their main offices in distant cities, the human touch is lost. This, he said, is not the case of the Inland Lime & Stone company, nor of the Manistique Pulp & Paper Company.

Ray Price verified as much for his company, the Michigan Dimension company.

Cayia stated that some time before long his company would hold open house at Port Inland and this, he hoped would bring local residents in closer touch with this area's largest industry.

Otmer Schuster and Mauritz Carlson led a discussion centered about what should be done with the quarry pool. While it was generally agreed in this discussion that the pool affords swimming facilities second to none in the community, few people are agreed on what should be done to put the pool and the area surrounding it to practical use, the discussion disclosed.

Dr. James Fyvie urged all Rotarians to support the sale of tickets for the Newberry-Manistique game here Saturday. This booster effort is being sponsored by the Manistique Elks lodge.

WCSO—There will be a joint meeting of the Evening and Afternoon Circles of the WCSO of the Methodist church on Wednesday afternoon at 2:30 in the church parlors. Hostesses will be Mrs. Joe Carlson, Mrs. Lester Richards, and Mrs. G. Hokenson. Members who wish to make reservations for the District Rally to be held October 6, may contact Mrs. Orlando Ott, banquet chairman.

Rev. Nile and Violet Byers are pastors of the Hiawatha church.

## Briefly Told

Woodman Circle—Members of the Woodman Circle will hold a social meeting on Wednesday evening at the home of Mrs. Robert Hoar, Deer street. Pot luck lunch will be furnished by the members. Cards will be played. Each member may invite guests.

WCSO—There will be a joint meeting of the Evening and Afternoon Circles of the WCSO of the Methodist church on Wednesday afternoon at 2:30 in the church parlors. Hostesses will be Mrs. Joe Carlson, Mrs. Lester Richards, and Mrs. G. Hokenson. Members who wish to make reservations for the District Rally to be held October 6, may contact Mrs. Orlando Ott, banquet chairman.

Rev. Nile and Violet Byers are pastors of the Hiawatha church.

Zion Lutheran  
Is Given Award  
Sunday Morning

A certificate of enrollment and award was presented to Zion Lutheran church at the morning service Sunday by the Board of Home Missions of the Augustana Lutheran church. The presentation was made by the Rev. G. A. Herbert, director of parish evangelism for this body in the eastern part of the Upper Peninsula. The certificate has been placed in the vestibule of the church for further examination by worshippers.

For the past year the local congregation has had a parish evangelism committee participating in such work as recruiting new members for the church and Sunday school, publicizing the worship and work of the church, and conducting parish visitation, the project being sponsored by the Synod's home mission board administration. During the coming

**CARD OF THANKS**  
We wish to take this means of thanking all those who assisted us during the recent death of Mrs. Elizabeth Spencer. We are especially grateful to Rev. Paul Sobel for his comforting words, those who sent flowers, those who served as pallbearers, those who donated the use of their cars, and all others who assisted us in any way. The memory of these kind acts will ever remain with us.

Signed:  
Mrs. Frank Colon, Gernfask  
William Hancock, Munising  
Charles Hancock, Manistique

season the committee will undertake a plan of parish visitation and has adopted the slogan of the synod movement, "Enrolled to Witness". John B. Nessman is the chairman and Mrs. Reuben Larson is the secretary of the local committee. Members of the committee wore badges for the occasion and all took part in the presentation ceremonies.

A similar certificate was also awarded Bethany Lutheran church of Isabella the same day.

Flavor hard sauce with lemon rind and lemon juice and serve with apple brown betty.

## SCHUSTER'S SUPER FOOD MART

OH—HAPPY DAY! — As jubilant team mates cluster around, Billy Southworth, manager of the Boston Braves, is lifted to the shoulders of Red Barrett (left) and Sibby Sisti (right) after the Braves clinched the National League pennant race by defeating the New York Giants 3-2 in the Boston ballpark. (NEA Telephoto)

## Williams Has Nearly Cinched AL Bat Title

Chicago, Sept. 28 (P)—Boston's Ted Williams has all but sealed up the 1948 American league batting title—which will be his fourth title.

With only five games remaining the lanky Red Sox left fielder has a 14 point lead over Lou Boudreau, Cleveland manager-shepherd.

Through Sunday's games, Williams was belting 368, a drop of eight points for the week after

bagging five hits in 23 trips. Boudreau collected 6-for-19 to slip only one point to 354.

If the Beantown slugger maintains the pace he will be the third American leaguer ever to win

four or more batting crowns. Immortal Lou Gehrig took 12, Harry Heilmann of Detroit copped four and Williams won in 1941, 1942 and 1947.

Trailing the two leaders were Cleveland's Dale Mitchell with a three point gain to 337; Al Zarilla of St. Louis, with 313 apiece.

As well as crashing into the "top ten" hitters bracket Di Maggio continued as a double specialist leader. He added eight to his runs-batted-in list for a total of 153 and slammed another homer for a bag of 39.

Tom Henrich of the Yankees likewise maintained top spot in two departments—with 42 doubles and 135 runs scored.

In addition, Henrich tied Ed Stewart of Washington for three-bagger production with 13 each.

Dillinger with 197 hits and 25 stolen bases also was a double leader.

Boston's Jack Kramer posted another pitching victory to keep the best percentage record with 17-5 for .773. Bob Feller dusted off 15 batters to increase his streakout honors to 161.

**American League Batting**  
Includes games of Sunday, September 26.

### Gould City Wins Central U. P. Cup

Gould City, Sept. 28. — Gould City won the championship of the Central U. P. Baseball league by defeating Naubinway, 10-1, in the deciding game of the best-two-of-three championship series.

### 5 STRAIGHT SHUTOUTS

Portland, Ore., Sept. 28. (P)—Detroit has the amateur softball championship, but a young curly headed Memphis pitcher, Buck Miller, has the hearts of softball fans here. He gave up a 1 to 0 victory to Briggs Beautyware of Detroit in the title game last night, but only after the prodigious feat of hurling five consecutive shutouts in two nights.

**SPORTS BEFORE YOUR EYES**  
Lou Boudreau already has set up his Cleveland pitching plans for the remainder of the season so that Bomb Lemon will be ready for a playoff game, if necessary. When fans presented Andy Seminick, the Phillies' catcher, a watch on his "day," one unkind observer remarked they also should have given him an arm to wear it on. Brooklyn had just celebrated the occasion by stealing two bases on Andy. Howie Roberts, the Chicago Scribe, has turned out a football history of the Big Nine and New York's Murray Goodman and Leonard Lewin are the compilers of "My Greatest Day in Football," as related by notables from Alexander to Zupke. Tom Haggerty, Loyola (Chicago) basketball coach, shed 25 pounds of excess weight at a Wisconsin camp last summer. . . . and did you hear the radio announcer at the Purdue-Notre Dame game who excitedly shouted: "The fumble is rolling around in the air!"

**INTERNATIONAL LEAGUE**  
Final Playoff  
Montreal 2, Syracuse 1. (Best of seven series, Montreal leads 2-1).

**AMERICAN ASSOCIATION**

**TEXAS LEAGUE**  
Final Playoff  
Tulsa 6, Fort Worth 3. (Best of seven series, Fort Worth leads 3-2).

### Octuplet Birth Is Proved Hoax

By SCIENCE SERVICE  
Cincinnati—The octuplet birth, supposed to have happened near here in 1872, turns out to have been a hoax. Facts in the case were dug out by the Cincinnati Post when Prof. H. H. Newman, of Clearwater, Fla., published an appeal for information.

It appears that some practical joker simply invented the alleged birth of eight babies at once to a Mrs. Eunice Mowery Bradlee, planted a story in a local newspaper, and then got a medical journal to print it.

So Marie Dionne retains the championship.

**Just a Joe-Ker**  
Ever since 1942 Penn State Coach Bob Higgins has been trying to cure Larry Joe, a speedy but thumb-fingered halfback, of the habit of fumbling. . . . In practice the other day Larry was tackled near the sidelines where his wife, Marie, and four-months-old Larry Joe, Jr., were watching. As usual he dropped the ball. "Listen, Larry," chimed end coach Earle Edwards. "I want you to know I wouldn't even let you hold the

# Tribe, Bosox, Yanks Ready To Slug It Out

## RUWITCH LAUDS ESKYMO TEAM

Morale High, Grid Coach Tells Lions Club

Coach George Ruwitch told the Escanaba Lions club Monday night that the morale of the Escanaba Eskymo football team is unusually high and that he has been proud of the fine spirit displayed by the players in their first three games.

"All that we can expect from these boys is that they play the best brand of football of which they are capable and they have been doing that," Coach Ruwitch said.

The Eskymo coach told the Lions that the Menominee Maroons, whom the Eskymos will play at Menominee Saturday night have an outstanding team, blessed with great speed. Physically the Maroons are superior to the Eskymos, Ruwitch said.

"Even Coach McCormick concedes that the Menominee team this year is better than the great Menominee team of 1947," the Eskymo coach reported. "However, we have no defeatist attitude regarding this game and you can be sure that the Eskymos will play their best brand of ball."

Coach Ruwitch decried the trend towards over-emphasis of high school athletics, pointing out that this trend jeopardizes the fundamental purposes of interscholastic competition, the physical development of youth. He reminded his audience that in every athletic contest there must be a loser as well as a winner and that no high school team can win all of the time.

## U-M Realigns Strategy For Oregon Game

Ann Arbor, Mich., Sept. 28 (P)—Realignment of the Michigan football strategy was underway here today, and a pair of sophomores was sure to figure in the plans.

Apparently shaken by the dog fight with Michigan State Saturday, the Wolverine high command is casting about for a means of adding speed and firepower to the backfield of the 1947 champions.

Whatever combination emerges two newcomers, tailback Charles Ortmann, Milwaukee, Wis., and Leo Koceski, wingback from Canonsburg, Pa., appear slated for key spots.

Latest trainer reports indicate starting tailback Gene Derricotte is more seriously hurt than was first reported. A pulled knee ligament, suffered in a third period collision in the East Lansing battle, may take time to heal.

That puts chief reliance on Ortmann at the key left half spot.

Regardless, Ortmann earned a spot next to the number one Wolverine back by his performance Saturday, sparking the drive for the winning touchdown.

Assignment of starting wingback Wally Teninga to more defensive work may bring Koceski to that spot where sideliners feel he would add punch to the Michigan attack.

With a signal-caller Pete Elliot and Tom Peterson filling out the backfield and an expected improvement in blocking and tackling, Michigan should present a more formidable challenge Saturday as highly regarded Oregon comes in to open the home season.

The shadow of the Pacific coast club was already seen yesterday at the Wolverine stronghold.

## Tigers Shooting At 500 Standing

Detroit, Sept. 28 (P)—The Detroit Tigers staked a good deal of their chances for a moderately respectable American league finish today in their final home season series.

With the St. Louis Browns offering the opposition in a three-game set, the Tigers faced a need for winning it in order to preserve a 500 average.

Manager Steve O'Neil chose Freddie Hutchinson, who beat Cleveland his last time out, to pitch today's opener.

## Sports Mirror

Today a year ago—Max Schmeling, 42, knocked out Werner Vollmer in a heavyweight bout at Frankfurt, Germany.

Three years ago—Rock Graziano, 153, knocked out Harold Green 150-three-fourths, in the third round of a scheduled 10-round.

Five years ago—Frankie Frisch and Joe Cronin were named to manage all-star baseball teams touring the Pacific.

Ten years ago—Billy Direct, four-year-old pacer, turned in the world record time of 1:55 for the mile.

## Howling Notes

The organization meeting of the Major bowling league will be held Wednesday evening at 7:45 at Richie Electric shop. All team captains are asked to attend.

## ESCANABA DAILY PRESS SPORTS

"It Seems To Me"

BY JIM WARD

One reason why baseball is the greatest of our national pastimes—although most of us confine our participation to munching a sack of peanuts and working the lungs overtime—is that organization is on a high level. No punches are pulled; or at least they haven't been pulled for a long time.

When two teams meet, you can be sure each is going to give its all to win that game. And this is a far cry from fixes in such sports as professional boxing and wrestling.

A good example of this all-out factor is the current stretch drive in the American league, the closest pennant fight in the American in 40 years. Underdog teams are out to improve their position in the league. They don't care who wins the pennant. And, believe me, that's the way it should be.

Steve O'Neil's Tigers have three games left against the Cleveland Indians, but do you think they're going to lie down—with nothing more at stake than a chance to finish the season with .500? Not on your life! Steve is going to toss his three aces, Fred Hutchinson, Hal Newhouser and Virgil Trucks at the Tribe.

Joe Kuhel's Washington Senators play a three-game series with the Boston Red Sox. You know where the Nats are in the standings. But Joe has big ideas about this series, so vital to the Bosox. He's out to win. He, too, will throw his three best hurlers at the Sox, namely Rae Scarborough, Walt Masterson and Early Winn.

Off the cuff: Congratulations to Bark River for winning the Tri County Baseball league championship. . . . It was the only Delta county team in the league. . . . Russ Simmons, Bark River baseball impresario, has this to say: "We are glad to bring the championship to Delta county, and we are proud to represent as fine a county as Delta!"

Note to Ed Johnson, of Gulliver, secretary of the Central U. P. league: It's been a pleasure to work with you this past summer on covering the league games and all other league publicity. Your weekly summaries were always right there on schedule, and with so many leagues to handle, it was a relief to know we could always bank on you for a weekly roundup. Thanks, and congratulations to Gould City for winning the title.

What is the highest total score ever scored in a regular scheduled professional football game? Someone called about this yesterday, so we thought perhaps all of you would be interested in the answer. On Nov. 1, 1942, Green Bay defeated the Chicago Cardinals, 55-24—a total of 79 points. Maybe that will erase some of the sting of that 45-7 debacle the Packers suffered at the hands of the Bears last Sunday. The highest score run up by one team in one game, however, is the Bears' 73-0 National league championship playoff victory over the Washington Redskins in 1940. Those Bears again!

We saw the Bear-Packer game in Green Bay Sunday with Jim Rounan, Bob Owen, Ed Gravelle and Ed Guay and hundreds of other Escanabans. It seems as if every time we turned around we saw someone from Escanaba. The game was strictly no contest, but it was a treat to watch that Bear machine—Sid Luckman, Johnny Lujack, Bobby Layne, Bill Osmanski and George McAfee, to say nothing of an efficient line that didn't miss a trick. Luckman's field generalship couldn't be excelled. Layne can throw a bullseye every time he throws a pass, and Lujack on defense, particularly pass defense is a work of art. What a ball hawk. The Packers were definitely off, apparently lulled into a feeling that they could whip the Bears after the Bears had so much trouble beating the Washington Redskins (17-14).

## Musial Near Unprecedented Sweep In National Hitting

New York, Sept. 28 (P)—Stan Musial will have to get his home run sights working overtime this week if he is to nail that unprecedented sweep of bat honors in the National league.

Leading in six departments and with the batting championship sewed up, the St. Louis Cardinals star trails in out - of - the - park wallpops.

Ralph Kiner of the Pittsburgh Pirates, who tied with Johnny Mize of the New York Giants with 51 last year, is homerun pacer—sweeping with 40. Mize and Musial have 38 each.

Official averages through Sunday show Musial with a batting average of .378. There is no catching him since the closest is Philadelphia's ailing Richie Ashburn with .333.

Musial has the most runs, 131; most hits, 223; most doubles, 43; and most triples, 18.

He is leading in runs-batted-in with 126 compared with 124 for Mize and 118 for Kiner.

**Ohio State Sparkles In Beating Missouri**  
Chicago, Sept. 28 (P)—Ohio State "took a chance" against Missouri Saturday and looked good in winning 21-7.

The victory threw most of the parlay boys for a loop, for Missouri was unanimously favored.

How did the Buckeyes—lightly regarded in the big nine race—do it? And what was the chance they took? Coach Wes Fesler explains:

"We took a chance with a screwy defense. We let Missouri look at a line which appeared like a seven-man affair. But as the ball was passed we tried to create offensive confusion by moving our boys about a bit. Sometimes our seven-man line by the time the ball was moving had only four or five men—or maybe nine. We kept changing it all the time."

Fesler hastily added that the Buckeyes have plenty of work to do to get sharpened up for Southern California Saturday.

Classified Ads cost little but do a big job

## Cleveland In Driver's Seat; Each Has 5 Left

By John Chandler Associated Press Sports Writer

The tightest three-team flag fight in the American league in 40 years continued at the boiling point today as the Cleveland Indians, New York Yankees and Boston Red Sox prepare to slug it out to the bitter end.

One game ahead of the Yankees and Red Sox—deadlocked in a second place tie—were the Indians, in a strategic spot to grab off the first Cleveland pennant in 28 years.

Not since the Detroit Tigers nailed down the championship on the last day of the 1908 season has the junior loop seen such a struggle.

Afternoon games between the Red Sox and Washington Senators at Boston and the Yankees and Athletics at Philadelphia will set the stage for tonight's encounter between the Indians and Chicago White Sox in Cleveland. Each team has five games left on schedule.

**Series Starts Oct. 6**  
The Boston Braves are already "in," having wrapped up the National league bunting Sunday.

The world series is slated to start a week from tomorrow at Braves' field, Boston.

Everything favors the Indians—so much so that Manager Lou Boudreau has settled the fears of Cleveland fans by stating without reservation that the Tribe has it in the bag.

Cleveland could lose twice, and New York or Boston still would have to cop five in a row to win the pennant. The fly in the oint-

ment is the fact New York has a pair of games Saturday and Sunday with the sockers in Boston.

Cleveland has two games with the White Sox. Then winds up against the Detroit Tigers Friday, Saturday and Sunday. New York plays three against the A's before moving into Boston for the final pair. The Red Sox have three with the Senators before meeting the Yankees.

**Lou Picks Bearden**  
Boudreau said Gene Bearden (17-7) would be his mound choice in the White Sox opener, while Frank Papish (2-8) will toss for Chicago. Papish, whose main fault is wildness, knifed the Yankees last week in Chicago, and prevented them from taking over first place.

The Yankees' hopes were given a severe jolt when an examination showed Catcher Gus Niarhos fractured his right hand in the game with Boston Sunday. Charles Silvera of the Portland, Ore., club in the Pacific Coast league, is flying to join the New Yorkers at Philadelphia.

Joe McCarthy, Boston manager, probably will send Joe Dobson against Washington today, opposed by Rae Scarborough of the Senators.

Vic Raschi, with 19 victories for the season, will toil for the Yankees, Manager Bucky Harris said. Either Carl Scheib or Lou Brissie is expected to get the call for the A's.

St. Louis Browns play at Detroit in the other American league game, while three afternoon tilts and one under the arcos make up the National league schedule.

The Braves invade Ebets field, home of the 1947 champion Dodgers; the Giants entertain the Philadelphia Phillies in a pair at New York; the Cincinnati Reds play the Cubs in Chicago; and Pittsburgh meets the Cards at night in St. Louis.

## Manistique Elks Want 3,000 People At Newberry Tilt

Manistique, Sept. 28.—Determined that Manistique high school's record of four straight wins shall not be jeopardized by lack of support when it meets Newberry on the local grid next Friday evening, effort is being made to assure the presence at the game of at least 3,000 fans at the stadium when the game opens.

This effort is being spearheaded by the Manistique Elks lodge which for the third season has selected some certain game each season to be favored with an all-out attendance, and the Manistique-Newberry game has been selected for this year.

The selection of this game is a natural because of the intense rivalry between the two teams and between the two towns in athletics in general. In addition the teams are perhaps the most evenly matched of any two teams in the conference.

The Elks have also taken the initiative in making it possible for all clerks and late shoppers to attend the game by getting the consent of practically every store in the city to close in time to permit all to attend the game.

Manistique municipal band will lead the zig-zag parade of students at the pep rally the evening before and the high school band will present special maneuvers between halves at Friday's game.

The Emeralds came through their game with Gladstone in A-1 shape and will be in full strength to do their best against Newberry.

## Williams Replaces Little Miss Muffet In Boston Readers

Boston, Sept. 28 (P)—The batting exploits of Ted Williams, Red Sox slugging outfielder, known to practically every baseball fan, are now being used in Boston schools to teach children how to read.

Instead of plodding through the adventures of Little Miss Muffet and the Spider, Boston second-graders now recite:

"See the hitter!  
"See the hitter swing his bat.  
"The hitter is Ted Williams.  
"He plays on the Boston Red Sox.  
"He is their best hitter.  
"He has hit many home runs."

The story of Williams is prominently displayed on the opening page of the Young America Junior Reader, recently adopted by the school department.

School officials said the youngsters have no trouble spelling out "Ted" but some were stumbling on "Williams." However, all understood the meaning of the picture showing Ted taking a cut at the ball.

## St. Paul Has 2-1 Edge On Columbus In AA Tit'e Series

St. Paul, Minn., Sept. 28 (P)—St. Paul carried a 2 to 1 edge over Columbus in the American Association final playoffs today as the two teams headed for Columbus for the fourth game tomorrow.

Columbus salvaged the third and final game of the three-game set at Lexington Park last night. But the Red Brds had to battle 11 innings before they won 7 to 5 over the Saints, who had won the first two contests.

## BUREAU NAMES TRAFFIC GROUP

Transportation To Be Discussed Here

Cooperation with the transportation study group of the Michigan Department of Economic Development, particularly in matters concerning improvement of highway, rail and air service in Upper Michigan, is one of the main objectives of the transportation committee named recently by John I. Keeton, Munising, president of the Upper Peninsula Development Bureau.

Members of that committee are A. E. Petermann, Calumet, vice-president of the Calumet & Hecla Mining Co.; Sam Cohodas, of Cohodas Brothers, Ishpeming; Frank J. Russell, publisher of The Mining Journal, Marquette; F. A. Flodin, president of the Lake Shore Engineering Co., Iron Mountain; and Lee of the Birds Eye Veneer Co., Escanaba, and William Johnson, secretary of the Ironwood Chamber of Commerce. In addition, Keeton said, a representative from Sault Ste. Marie will be named soon.

The committee will lead a discussion on transportation problems at the 38th annual Development Bureau meeting in Escanaba, October 8 and 9. At this meeting, arrangements have been made for industrial leaders from Detroit, Duluth and other communities in the Great Lakes area to confer with members of the U. P. transportation committee and the economic development department's transportation study group.

A much broader study of transportation problems is recommended by the development commission's advisory committee. John Deukema, secretary of the Muskegon Chamber of Commerce, chairman of that group, has suggested the commission include the following in its program:

1. An inventory of all present transportation facilities of the state.
2. A strong effort to get improved car ferry service across Lake Michigan, better railroad and air service between the Upper and Lower Peninsulas.
3. Investigation of the feasibility of a main north-and-south railroad line connecting Lake Michigan cities, several of which are now served by east-west branch lines.
4. A thorough study of the state's air transportation needs.
5. Study of the possibilities for reviving package freight service on the Great Lakes.
6. Investigation of freight rates in comparison with other states.

## Youth Has Much Faith In Future

Berkeley, Calif., (SS)—Faith in the future runs high in American youth of both high and low economic levels, with particular confidence expressed in the opportunities open for young people and success in marriage.

This is disclosed in a study by Dr. H. E. Jones, professor of psychology at the University of California, who tested 659 high school seniors from the same urban school in 1938, 1942 and 1947.

The psychologist asked for comments on 15 items on social and economic conditions and future prospects. There were four possible answers, two giving differing degrees of optimism and two reflecting pessimism.

Paradoxically, the greatest optimism occurred in the spring of 1942, when the subjects were facing the draft and when American military fortunes were at their lowest ebb in World War II. Optimism is still high, though not so high, generally, as in 1942.

On the statement, "There are actually a great many more opportunities today than ever before," 1 in 5 were in agreement in 1938, 9 out of 10 in 1942, and 1 in 2 in 1947.

On the subject of marriage, the youths were as optimistic in 1947 as in 1942. The conviction that "if people really want to, they can always establish a home and family without any great sacrifice, even in bad times" increased from 1938 to 1942 and remained strong in 1947.

### Nation's Dailies Set New Record In Support of Dewey

New York, (AP)—So many newspapers are supporting Gov. Thomas E. Dewey for the presidency that it may establish a modern record.

Reporting results of a preliminary survey, the trade magazine Editor and Publisher said that replies from two-fifths of the nation's dailies showed 69 per cent of them are backing Dewey.

This percentage would give Dewey more newspaper support than any other presidential candidate has had in five recorded campaigns.

Of the newspapers polled so far 16 per cent are for President Truman and less than four per cent favor states rights Democrat J. Strom Thurmond. Only two newspapers are behind Henry A. Wallace.

These figures compared with 60 per cent who backed Dewey against President Roosevelt in the magazine's final 1944 survey and 66 per cent who supported Wendell L. Wilkie against Mr. Roosevelt in 1940.

The Republican candidates were backed by 56 per cent of the papers in 1932 and 60 per cent in 1936.

The 498 newspapers which have indicated they favor Dewey this time have a combined daily circulation of 16,000,000. The 117 pro-Truman papers have a total circulation of 3,000,000.

The New York governor's main strength came from newspapers in California, New York, Ohio, Pennsylvania and Michigan. He got support from only 13 replying newspapers in six states of the solid south, none in Arkansas, Louisiana, Maryland, Mississippi, South Carolina or Utah.

\$15.00 to \$17.00; medium and good sausage bulk \$21.50 to \$23.00; bulk medium to choice vealers \$29.00 to \$33.00; stockers and feeders slow, 50 cents to \$1.00 lower for two days; choice 443 lb. steer calves \$20.50.  
Salable sheep 3,000, total 5,000; active slaughter lambs opened 75 cents higher; five cars good to choice Washington spring lambs averaging around 85 lbs. \$26.00; load medium to good Montana \$24.75; bulk good and choice native spring lambs held around \$26.00; scattered early sale slaughter ewes around 50 cents higher; few mixed common to good native lots \$10.00; three cars of western ewes unsold.

## Brucker Sues Black For Slander, Seeks \$500,000 Damages

Detroit, Sept. 28 (AP)—Former Gov. Wilbur M. Brucker today began a \$500,000 damage suit in Wayne county circuit court against Michigan Attorney General Eugene F. Black.

Brucker said several days ago that he planned to sue Black for slander.

His suit was started today with filing of a notice which did not specify his complaint against the attorney general. Additional details normally are filed later in a bill of complaint.

Black had dared Brucker to go through with the suit but challenged him to file it in St. Clair county, saying it would be tried quicker there than in Wayne county.

In a caustic statement Black had offered to carry Brucker "to the court house" so that the ex-governor could start his slander suit.

## DISPERSION OF PLANTS URGED

Shifting Of Industries Needed For Defense

Washington, (SS)—The dispersion of industry is necessary for and vital to national defense. This is a basic conclusion of the National Security Resources Board revealed today. A new urban redevelopment for industrial and population dispersion is also essential.

World War II developed weapons of swift and widespread destruction capable of attacks of unprecedented effectiveness against industrial centers, the NSRB report states. Our previous isolation and security against weapons of destruction are gone. In time, no spot in the Nation will be any less vulnerable than another. There is no military defense against the atomic bomb itself except space.

While there will continue to be defense against any carrier which a potential enemy might use to deliver such a bomb, this defense alone is not sufficient. The task ahead is to distribute vital facilities over greater land area to reduce attractiveness of targets and increase security of plants and workers.

The National Security Resources Board was created in 1947 to advise the President concerning the coordination of military, industrial and civilian mobilization. Industry's security is bound up in national security. An important phase of the duty of the board is "the strategic relocation of industry."

### Resort Workshops Are Planned Again

Upper Peninsula resort operators will have additional opportunities to attend the popular pre-season workshops next spring.

The U. P. Development Bureau, which cooperated in staging three "workshop" conferences last spring, announces that six such gatherings will be held during the 30-day period after next April 17.

Two will be conducted in the western end of the Peninsula, two in cities in the central portion and the last two in the eastern section. They will be under the management of L. R. Schoenmann, chief of the Michigan State College's conservation institute.

### Key Airfield Lost To Chinese Reds

Shanghai, Sept. 28. (AP)—Commercial air lines pilots arriving here from Manchuria reported today that the vital Chihhsien airfield, key to the Mukden airlift, has been lost to Red forces.

The report was not confirmed otherwise, but was plausible since military sources in Nanking yesterday had announced that advance units of the Communist drive in the Manchurian corridor were probing at Chihhsien's outer defenses.

China's commercial airlines discontinued use of the Chihhsien field and connecting services on the Mukden airlift from Peiping and Tientsin.

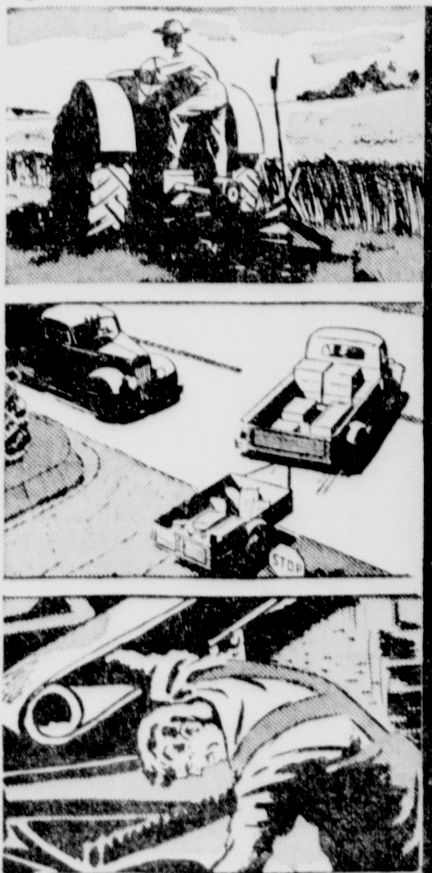

Loss of the air link was a serious blow to the nationalist effort to supply isolated Mukden and keep open the Manchurian corridor.

### SHOT IN CHEST

Niles (AP)—Nine-year-old Robert Holmes of Bertrand was shot in the chest when bullets hit playmates tossed into a bonfire exploded. Authorities at Pavating hospital said he was in fair condition.

**SOMETHING FOR TRUMAN**  
Independence, Mo., Sept. 28 (AP)—President Truman's home town—for the first time—has officially named something in his honor. A 1 1/2 acre playground was designated as Truman playground by the city council last night.

DON'T THINK AN ACCIDENT CAN'T HAPPEN TO YOU!

Unless greater safety is practiced on farms throughout the country, there will be 19,500 farm residents killed and 1,800,000 more injured in accidents this year! (National Safety Council estimate.) Those are pretty good odds that an accident could happen to you—unless you're careful.

To save yourself a bad accident—perhaps months in bed or loss of a whole year's crop—practice safety every day. Be careful in the field while working with or around farm machinery. Take extra precautions when driving—especially when turning onto a highway. Repair broken steps and keep your house and barnyard free of other accident danger spots.

Be careful... what you save may be your life!

## NEW WORKING ON LURE BOOK

Bureau To Distribute About April 1

Preparation of advertising and editorial copy for the Lure Book is well under way, with likelihood that the 1949 edition will be "bigger and better" than any of its 13 predecessors.

"About \$28,000 worth of advertising space already has been sold, well ahead of last year's mark," it was announced by the Upper Peninsula Development Bureau, publisher of the Lure Book. "Approximately 20 per cent of that amount is new business. Resort operators and Chambers of Commerce planning to place 'ads' in the book should act promptly, since we plan to put the book out earlier than in other years."

The Bureau said it was planning to have the Lure Book ready for distribution by April 1. The 1948 edition was off the presses by the middle of April, one of the earliest publication dates since the Bureau started publishing the book in the mid-thirties.

### RARE BLOOD NEEDED

Detroit (AP)—An appeal for the rare R-H negative type blood has been issued for a four-year-old girl who is in a hospital here suffering third degree burns. The girl—Geraldine Wood—accidentally ignited her clothes while playing with matches.

### BURNS PROVE FATAL

Charlevoix (AP)—Lester Prough, 60, died of burns received Monday in an explosion of a kitchen stove in his home in Evelyn township, Charlevoix county. Officers said the blast occurred when Prough attempted to start a fire with coal oil.

## Bared Wire Kills Bridegroom-to-Be In Honeymoon Flat

Chicago, Sept. 28 (AP)—"Please, Lord, don't let anybody touch me!"

That was the final prayer last night of a writhing young bridegroom-to-be, his body charged with electricity from an exposed wire in the flat he was remodeling into a honeymoon apartment on Chicago's westside.

The victim of the tragedy was Sebastian Dimatteo, 24, who fought through the war in the

South Pacific as an air force gunner.

A grief-stricken witness was Miss Natalie Carnaggio, 21, of Forest Park, whom he was to take as his bride Saturday. She had warned him of the dangerous wire, but her cry was too late. The young couple, Miss Carnaggio's sister, Mrs. Marianne Kovach, and a friend Joseph Catalana, 17, were remodeling the apartment.

As Dimatteo and Catalana tore out a partition between two rooms, the bride-to-be saw the exposed wire and cried: "Don't touch that wire. Turn the juice off first."

But as she spoke, Dimatteo touched the wire and fell to the floor.

Despite Dimatteo's prayer that no one touch him, Catalana insulated his hands with a raincoat and freed his friend. He applied artificial respiration until a fire department rescue squad arrived. The firemen worked an hour before pronouncing their effort hopeless.

A dessert all teen-agers welcome at a party is a sundae made of coffee, ice cream, marshmallow sauce and toast almonds. Or serve vanilla ice cream with peach sauce and shaved Brazil nuts.
